Dear Mayor Merkes

I regret to inform you that I must resign from the Landmarks Commission. My workload and schedule vary and therefore create a hit and miss attendance at Landmarks meetings. I do not believe it is fair to the other dedicated members and think my seat may be better filled by someone who can play a more active roll. I would be happy to be a member of the commission in the future if and when I can resume a more "nine to five" day.

Thanks for the opportunity to participate.
