SINGLE STREAM RECYCLING

One of the biggest changes to the collection process is the elimination of plastic bags from the recycling stream. Plastic bags are not recyclable and interfere with the processing equipment. Therefore, plastic bags are no longer allowed. Please refrain from using them to hold recyclables.

- ♻️ PLASTIC BAGS (OF ANY COLOR) ARE NO LONGER ALLOWED IN THE RECYCLING STREAM (The only exception is a clear or transparent bag to hold shredded paper)

Single Stream means all recyclable containers and recyclable paper products can be collected together and no longer need to be separated.

- ♻️ PAPER PRODUCTS, GLASS, PLASTICS, ALUMINUM AND TIN (#1 & #2) AND NARROW NECK PLASTICS WILL BE CO-MINGLED TOGETHER (*SINGLE STREAM*) IN THE SAME CONTAINER.
- ♻️ ADDITIONAL CONTAINERS THAT DO NOT EXCEED A 50# WEIGHT LIMIT AND HAVE EXTERNAL HANDLES CAN BE USED FOR OVERFLOW RECYCLABLES. A RECYCLING LABEL TO IDENTIFY THE CONTAINER IS AVAILABLE FROM OUR OFFICE.
- ♻️ USE THE RECYCLING CENTER FOR ADDITIONAL RECYCLING AND LARGE CARDBOARD (which does not need to be broken down). RECYCLING CENTER HOURS DAILY 6:00am - 8:00pm.

The following plastic items are not recyclable and should be thrown away with your other garbage in the blue refuse cart: Bags, food wrap, carry-out containers, bubble wrap & Styrofoam, flower pots and trays, packing peanuts, #3-#7 plastics, toys, storage boxes, tubs, containers, vinyl siding

ELECTRONIC RECYCLING:

The following electronics can be recycled through E-Cycle Wisconsin:

- Computers (desktop, laptop, netbooks and tablet computers), mice and keyboards, Desktop printers
- Computer monitors, Televisions, DVD players, VCRs and DVRs
- Stereos, tape players, recorders, speakers, Fax machines
- Personal electronics, cameras, camcorders, Mobile or cordless phones
- Other computer accessories such as hard drives, speakers, flash drives, modems, docking systems

Check local recycling options, many local options are available with & without fees. Not all collectors and/or recyclers will accept all types of electronics. Contact locations for specific recycling information and hours of operation. For a full list of collection sites see:

REFUSE COLLECTION

Refuse is collected curbside once each week. Collection schedules can be found in the annual handout, on our website, or by calling the City of Menasha Public Works Facility at 920-967-3620.

Refuse can be placed at curb in wheeled refuse cart after 4:00 p.m. the evening before or prior to 7:00 a.m. on the day of collection. Items that are outside of the blue refuse cart must be tagged with appropriate removal tag or permit.

Refuse from major remodeling projects, including brick, concrete, cinder-block stones, plasterboard, plaster, shingles, asbestos siding, dirt, etc., will not be handled by pick-up crews. City dumpsters are available on a rental basis for disposal of some of these items.

YARDWASTE AND BRUSH COLLECTION

Brush and tree limbs will be collected at the curb once per month on your regular collection day during the week of the first full week of each month throughout the whole calendar year.

Yardwaste, such as grass clippings, branches, leaves, etc., will not be collected at the curb, except during spring and fall collection, or when a special collection is declared. Place leaves loose within the terrace for the fall collection; place yard waste in an approved container for the spring collection. Check collection schedules in newsletters and on our website.

A yardwaste collection site is also available for the disposal of brush, grasses, and yardwaste at the City of Menasha Public Works Facility drop-off site during designated hours.

HOUSEHOLD HAZARDOUS WASTE

Household hazardous wastes (paint, insecticide, cleaning solutions, etc.) may be disposed of properly during specified times only at the Winnebago County Facility located near the County Recycling Facility at the intersection of U.S.H. 76 and C.T.H. Y, North of Oshkosh. Please call Winnebago County 920-727-2884 if you have any questions.
