- D. REPORT OF DEPT HEADS/STAFF/CONSULTANTS
1. February 2010 Communicable Disease Report distributed and discussed. C. Rusin questioned the number of Hep C cases. S. Nett explained there is an increase in the number of Hep C cases statewide and is being seen locally as well. Most of those diagnosed have a history of IV drug abuse.
 2. H1N1 Vaccine Update---To date, the health department has administered 3978 doses of H1N1 vaccine. There is another clinic scheduled for today. S. Nett commended the staff of the health department for their efforts in targeting at risk populations. Vaccines were administered by staff and volunteers. The health department did not need to contract with any agency for vaccinators.
 3. I3 Stimulus Finding – S. Nett discussed the projects to be completed using the immunization stimulus funding. The major initiatives will be school based clinics for required vaccines and adult immunizations for disparate populations.
 4. Part Time Grant PHN Position—the department recently hired a part time nurse completely funded by grants. The position will only continue if there is grant funding to support it in the future.
 5. H1N1 Grant Funds – the grant funds allocated for the public health emergency response efforts need to be expended by July 31, 2010. The department continues to hold H1N1 clinics and will also use the remaining funds to purchase supplies that need to be replaced as well as a portable copier to be used at future mass clinics.

E. ACTION ITEMS

1. Review Agent of the State – DHS Fees 2010-11. Sanitarian Drew presented the proposed fees for the license period 7-1-10 to 6-30-11. The fee increase is 2% except for re-inspection fees which will increase \$50 for each category. The increase will set fees comparable to surrounding communities. T. Drew explained the need to raise the re-inspection fees to gain compliance when there are significant violations not being addressed and to be comparable to the state re-inspection fees. L. Asmus questioned how many establishments have issues with noncompliance of critical violations. T. Drew responded 2 or 3 and further related that these are repeat critical violations which may get corrected but then are found again on subsequent routine inspections. C. Rusin questioned why the not for profit temporary fee wasn't increased. T. Drew responded that with the pre-training required, his time has decreased for the inspection and the current cost is adequate. T. Drew also explained the new fees for pre-inspection of new water attractions stating that he now has to do more during the pre-inspection to meet commerce codes and this will cover his costs to review plans and do site inspections. T. Drew also requested a fee structure for hotel/motels etc. citing that even though we don't have those facilities in Menasha, if one were to open here we would have no fee structure in place and these are all part of the agent contract. Motion to recommend for approval to the common council made by T. Shoberg and seconded by D. Jankowski. Motion carried.
2. Review Agent of the State – DATCP Fees 2010-11. Sanitarian Drew presented the proposed fees for the license period 7-1-10 to 6-30-10. The fee increase is 2% except for the re-inspection fees which will increase \$50 for each category B and C. L. Asmus questioned why Category A wasn't also increased. T. Drew responded the current fee is adequate for that size establishment to gain compliance on critical violations. Motion to recommend for approval to the common council made by L. Asmus and seconded by T. Shoberg. Motion carried.
3. Review Tattoo Parlor/Body Piercing Establishment Fees – 2010-11. Sanitarian Drew presented the proposed fees for 7-1-10 to 6-30-10. Proposed fee increase is 2%. T. Drew is also recommending adding a re-inspection fee. Currently there are no operating tattoo parlors in the city. Motion to recommend for approval to the common council made by D. Jankowski and seconded by L. Asmus. Motion carried.
