RE: City of Menasha Alcohol Operator's License Application

Ms Liotta:

I've reviewed your application for an Alcohol Operator's License in the City of Menasha and in doing so it has been determined that you had previously been denied an Alcohol Operator's License on July 14, 2011. This denial was subsequently upheld by the Menasha Administration Committee.

One of the reasons you were denied for this previous Alcohol Operator's License was the fact you provided false information in the application, in that you failed to disclose that you had been charge with a felony in the past. Therefore, under Guideline number four (4) (attached), you are not eligible for an Alcohol Operator's License and shall be denied for a period of one (1) year from the date of the denial. You will not be eligible for an Alcohol Operator's License with the City of Menasha until July 14, 2012.

Based on the above information, your current application as I indicated is being denied.

Sincerely,

Lt. Ron Bouchard

Dear Ms Liotta:

The City of Menasha Administration Committee at its regular meeting on July 18, 2011 took action on the appeal of the denial of your operator's license. The Committee voted to up hold the denial of your operator's license since you just received an alcohol operator's license on June 4, 2010 and on September 27, 2010 were convicted of operating a motor vehicle while intoxicated as a result of being arrested o June 25, 2010. This also means that you have two convictions within 7 years that substantially relate to the license for which you apply – the OWI conviction in 2010 and misdemeanor possession of THC and cocaine on September 29, 2004. Individuals granted an operator's license must act in cooperation with laws, and assist with minimizing disturbances of the peace and maintaining the safety of the community something the Committee believes you are unable to do at this time. You may reapply for your operator's license in the future.

Sincerely,

Debbie Galeazzi
City Clerk

Re: City of Menasha Alcohol Operators License Application

Ms. Liotta

I have reviewed your application for an alcohol operator's license in the City of Menasha and in doing so it was discovered that there were several issues with your alcohol operator's license application. The first issue is that you provided inaccurate information on the application.

Question one of the application asks if you were ever charged with a Felony and you responded with a "no" answer. However, a criminal history check indicates that you were charged with a felony on May 26, 1995 in Outagamie County and subsequently convicted of misdemeanor Theft as a result of this charge. The criminal history check also reflects that on September 29, 2004 you were convicted of possession of THC and possession of Cocaine, which are misdemeanors.

On June 4, 2010 you were approved and issued a City of Menasha alcohol operator's license. A records check further reflects that on September 27, 2010 you were convicted of operating a motor vehicle while intoxicated as a result of being arrested on June 25, 2010.

Since you are convicted of two or more offenses on separate incidents within the last 7 years that substantially relate to the circumstance of the license that you seek, under Menasha city guideline number 3, you do not qualify for an operator's license. Additionally, since you did not provide accurate information on the application by omitting that you have been charged with a felony in the past, under guideline number 4, you are not eligible for an operator's license.

Based on these circumstances, I will be denying your application for an alcohol operator's license in the city of Menasha.

I would like to further advise you that you may appeal this decision by contacting the Menasha City Clerk's Office at 920-967-3603 within 30 days of this denial to request an appeal before the common council. At this appeal you have the right to be represented and to be heard and to present evidence in favor of granting the license and to rebut the evidence presented in opposition to the granting of this license at a hearing held within 45 days of the filing of such appeal .

Sincerely,
