Re: City of Menasha Alcohol Operators License Application

Ms Cortany E. Shearer

I have reviewed your application for an alcohol operator's license with the City of Menasha and in doing so it was discovered that there were several issues with your alcohol operator license application. The first issue is that you provided inaccurate information on the application. Question 5 of the application asks "Have you ever been convicted of any law, statute or ordinance pertaining to the use or sale of alcohol or illegal drugs", and your response was no. In doing a background investigation it was determined that the correct response would have been yes. On your behalf I would like to note that you did indicate on the back of the application that you did have one underage drinking offense in January of 2008, you also made reference to your OWI conviction from 2011. However you failed to mention the Underage Alcohol Offense that you were convicted of on May 2, 2007 out of Portage County. The background investigation that I conducted revealed the following arrests and convictions for alcohol related offenses that occurred within the last 7 years.

The first arrest was for an Underage Alcohol Violation out of Portage County with an arrest date of April 13, 2007 and with a conviction date of May 2, 2007.

The next offense was for an Underage Alcohol Violation out of Outagamie County with an arrest date of January 13, 2008 and with a conviction date of April 25, 2008.

The last arrest was for Operating While Intoxicated the date of arrest was October 10, 2010 and with a conviction date of April 14, 2011.

Since you have been convicted of two or more offenses on separate incidents within the last 7 years which are directly related to the license for which you applied for, under Menasha City Guidelines #3 you do not qualify for an operator's license.

Additionally since you did not provide accurate information on the application by omitting that you had been charged with an alcohol offense, under guideline #4 you are not eligible for an operator's license.

Based on these circumstances I will be denying your application for an alcohol operator's license with the City of Menasha.

I would like to further advise you that you may appeal this decision, by contacting the Menasha City Clerk's Office at (920)967-3603 within 30 days of this denial to request an appeal before the common council. At this appeal you have the right to be represented and to be heard and to present evidence in favor of granting the license and to rebut the evidence presented in opposition to the granting of this license at a hearing held within 45 days of the filing of such appeal.

Sincerely,
