Tenant's installation of Tenant's Equipment on the Tower and the Site shall be limited to the antennas and other equipment and frequencies agreed upon in advance by Landlord. Tenant's equipment shall at all times comply with and conform to all laws and regulations applicable thereto, and shall be subject to Landlord's review and approval which shall not be unreasonably withheld, conditioned or delayed, regarding Tenant's placement of equipment, method of installation, and all other matters which Landlord deems, in Landlord's reasonable opinion, to affect Landlord's own operations or interests.

(b) Plans and Specifications. Tenant, at the Tenant's expense and prior to commencing the installation of Tenant's Equipment, shall submit to Landlord the following: (i) detailed site plans and specifications setting forth the proposed antennas and other equipment, the height and location of such equipment, and the construction, installation, and other work to be performed on the Tower and the Site, and (ii) a list of all known frequencies licensed or assigned to Tenant by the Federal Communications Commission (the "FCC") to be used at the leased Site. This Agreement shall automatically renew unless Tenant shall notify Landlord, in writing, of Tenant's intention not to renew this Agreement, at least one hundred twenty (120) days prior to the expiration of the initial term, or as applicable, any additional term.

4. Base Rent. Tenant shall pay to Landlord as a Base Rent pursuant to this Agreement in the basic amount of One Thousand Two Hundred Dollars (\$1,200.00) per month which amount shall be due on the first (1st) day of each calendar month. Annually, on the first day of a month immediately following the Commencement Date, and every year thereafter for the duration of this Agreement, the amount of the monthly rent which Tenant shall pay to Landlord shall be increased by an amount equal to three percent (3%) of the Base Rent in effect during the previous year. Until further notice, checks should be made payable to: _____, and mailed to _____. Landlord's FEIN is _____.

Tenant shall keep the Tower and the Site free and clear of all mechanic's and materialmen's liens arising from or relating to the installation, repair, maintenance, or removal of the Tenant's Equipment on or from the Tower or the Site and Tenant's structural enhancement of the Tower, if any, and for a one hundred twenty (120) day period after completion of the installation, repair, maintenance, or removal of the Tenant's Equipment on or from the Tower or the Site or any structural enhancements to the Tower. If a mechanic's or materialmen's lien is filed against the Tower or the Site as a result of Tenant's installation, repair, maintenance, or removal of the Tenant's Equipment on or from the Tower or the Site or structural enhancement of the Tower, Tenant shall cause any such lien to be bonded or discharged of record within twenty (20) days of being notified of the lien. If Tenant fails to bond or discharge the lien within such twenty (20) day period, Landlord, in addition to any other rights or remedies available at law or equity, shall have the right to discharge the lien by paying the amount claimed to be due or to bond the lien. Any amount paid by Landlord in discharging or bonding any lien together with all costs and expenses, including, without limitation, attorneys fees and costs, shall be immediately due and payable by Tenant upon demand from Landlord and Tenant agrees to indemnify and hold Landlord harmless from all such amounts.

7. Taxes. Landlord shall be responsible for payment of all personal and real property taxes assessed directly upon and arising solely from the Tower and Landlord's Equipment or use of Landlord's communications system on the Site; provided, however, if Landlord's personal or real property taxes increase as a result of Tenant's Equipment or any improvements constructed by Tenant on the Site, Tenant shall be responsible for payment of the increase in Landlord's personal and real property taxes. Tenant shall be responsible for payment of all personal property and any other taxes assessed directly upon and arising from Tenant's Equipment or the Tenant's use of Tenant's Equipment on or about Tower or the Site.

8. Maintenance and Repairs.

(a) Tower and Landlord's Equipment. (b) Tenant's Equipment. Tenant, at Tenant's expense, shall maintain, repair and replace Tenant's Equipment during the term or any renewal terms of this Agreement provided that any alterations, modifications, repairs or replacements to Tenant's Equipment do not increase the number of antennas, cables or other equipment in the Tower Space, or increase the size or weight thereof, or materially alter the location or appearance thereof without prior written approval from Landlord. In order to protect the integrity of the Tower, Tenant agrees that any maintenance, repair and/or replacement performed on the Tenant's Equipment on the Tower or Site shall be done in a workmanlike manner and all work shall be performed in a manner consistent with Landlord's high quality construction standards. Further, any maintenance, repair or replacement work performed on the Tenant's Equipment shall not interrupt or interfere with the operation of Landlord's communications system or Landlord's Equipment unless Landlord agrees to such interruption or interference in writing. Tenant shall have twenty-four (24) hour access for routine maintenance of base station equipment. Tenant shall provide Landlord with at least forty-eight (48) hours notice prior to any maintenance, repair or replacement that requires access to the Tower unless an emergency exists, in which case notice shall be provided to Landlord at least twenty-four (24) hours after access to the Tower or Site has occurred. Landlord shall have the right to have a representative present during any maintenance, repair or replacement on the Tenant's Equipment that requires access to the Tower or the Site.

9. Access. Tenant shall at all times have unrestricted access to Tenant's equipment; provided, however, that its access to the Tower shall be limited to the installation, removal, and periodic maintenance of Tenant's antennas and lines at Tenant's sole expense by a qualified tower services contractor approved in advance by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed. In addition, the Tenant shall have the right to allow qualified inspectors to examine/inspect the structural integrity of the Tower at such times as they deem reasonable. These inspections shall also be definitive on whether the Landlord is or is not in compliance under the requirements of Section 8(a) herein. In the event that such inspection shall detect a lack of the required maintenance of the Tower, Tenant shall have the inspector provide a detailed summary of such deficiencies to the Landlord. Upon receipt of such summary, the Landlord shall have thirty (30) days to cure all such deficiencies or the Tenant shall have the right to cure same. Any expenses incurred by the Tenant in performing maintenance on the Tower required to be performed by the Landlord may be recovered by the from the Landlord or t their option, may e utilized as an offset on rent payable by the Tenant under the terms of this Agreement.

10. Interference. Tenant agrees not to allow any use of Tenant's Equipment, the Tower, or the Site that may cause interference with or cause the improper operation of the Tower, Landlord's related equipment, Landlord's communications signal or system, or any third party's equipment or communications system located on the Tower prior to Tenant's use of the Tower. In the event Tenant's Equipment or Tenant's use of the Tower or the Site causes measurable interference with or the improper operation of the Tower, Landlord's related equipment or communications system or any third party's equipment or communications system located on the Tower prior to Tenant's use of the Tower, Tenant, upon notification of such interference, agrees to promptly remedy such interference at Tenant's cost and, if necessary, agrees to cease operations (other than tests) until such interference is corrected to Landlord's sole satisfaction. Landlord agrees not to allow any subsequent third party's use of equipment, the Tower, or the Site that may cause interference with or cause the improper operation of the Tower, the Tenant's related equipment, or the Tenant's communications signal or system. In the event any subsequent third party causes measurable interference with or the improper operation of the Tower, Tenant's related equipment or communications system, Landlord, upon notification of such interference, agrees to promptly remedy such interference to Tenant's sole satisfaction, at Landlord's cost.

11. Interruptions. Landlord and Tenant agree that Landlord shall have no responsibility or liability whatsoever for interruptions, disruptions, or failures in the Tenant's Equipment or the operation of the Tenant's Equipment including, without limitation, equipment failures, utility failures, structural failures, or otherwise. Landlord shall not give any unauthorized access to Tenant's Equipment; however, Landlord shall not be responsible to Tenant for any unauthorized access thereto. In all maintenance, repair, or replacement work performed by Landlord on Landlord's Equipment or the Tower, Landlord shall take all reasonable steps to not interrupt or interfere with the operation of Tenant's communications system or equipment without Tenant's written agreement.

12. Compliance with Laws. Tenant shall comply with all present and future laws, regulations, and requirements of all federal, state, and local governments and their agencies as they relate to the use, operation, maintenance, repair, replacement, and occupancy of the Tower, the Site, and the Tenant's Equipment, as the case may be. Without limiting the foregoing, the Tenant shall at all times use, operate, maintain, repair, replace, and occupy the Tower, and the Site, and the Tenant's Equipment, as the case may be, in accordance with all FCC, FAA, and all other regulations, ordinances or laws.

13. Compliance with FCC Radio Frequency Emissions Requirements.

(a) It shall be the responsibility of the Tenant to ensure that Tenant's use, installation, or modification of Tenant's radios, signal carriage devices and antennas (Tenant's Equipment") at the Site does not cause radio frequency exposure levels of all the existing equipment located at the Site and in the surrounding vicinity including the Tenant's Equipment, Landlord's equipment and all other transmitting equipment in the vicinity to exceed those levels permitted by the Federal Communications Commission ("FCC"). Landlord shall require other communications users of the Site to bear the same responsibility.

(b) If it is determined that the radio frequency levels at the Site and surrounding

vicinity exceed exposure levels set by the FCC and the responsible party causing such exposure cannot be identified, then Tenant shall reconfigure Tenant's Equipment, including but not limited to reducing power levels, as reasonably directed by Landlord, and shall equitably share in all expenses incurred by Landlord as are necessary in order to meet FCC compliance levels.

(c) Tenant shall reimburse Landlord, within 30 days following receipt of an invoice from Landlord, for reasonable expenses or costs incurred by Landlord to perform FCC RF compliance tests for human exposure to RF radiation as a result of the installation, existence or subsequent modification of Tenant's Equipment at the Site.

(d) Tenant agrees that in the event there is any change to applicable rules, regulations, and procedures governing exposure to radio frequency radiation which place the Site in non-compliance, Tenant will cooperate with Landlord and other users of the Site to bring the Site into compliance, which cooperation shall include, but not be limited to, sharing pro rata the costs associated with bringing the Site into compliance.

(e) Tenant acknowledges and agrees that, upon reasonable prior notice (except for emergency situations), Tenant shall reduce operating power or cease operation of Tenant's Equipment when it is necessary to prevent the overexposure of workers on the Tower to RF radiation.

14. Mutual Indemnification. Landlord and Tenant shall each indemnify and hold harmless the other against and from any and all claims, demands, liability, loss, cost or expense, including reasonable attorney fees, resulting from their own respective negligent acts and omissions or the negligent acts and omissions of their respective employees in the course of their employment or the negligent acts and omissions of their respective contractors and invitees.

15. Insurance. Tenant shall have adequate insurance at all times at Tenant's expense which coverages shall include but are not limited to the following: Commercial Workers' Compensation Insurance as required by law, Commercial General Liability Insurance with a minimum combined single limit of \$2,000,000 covering personal injury and property damage, (which may be provided in any combination of primary and excess coverage); Employer's Liability Insurance with a minimum combined single limit of \$1,000,000; and Commercial Automobile Liability Insurance for any motor vehicle, covering bodily injury and property damage with a minimum combined single limit of \$500,000. The foregoing insurance shall be issued on an occurrence basis, shall be primary with respect to any liability assumed by Tenant hereunder, shall name Landlord as an additional insured if specifically requested, and include a waiver of subrogation in favor of Landlord. Tenant shall provide Landlord with certificates of insurance evidencing the required coverage and shall give Landlord written notice if the coverage represented in these certificates is reduced or canceled.

Notwithstanding the foregoing, Tenant, nor any employee, contractor, subcontractor or agent of Tenant, shall allow any person to enter upon or climb on the Tower without inclusion of such person under its insurance policy coverage as required hereunder or without ensuring that such person is adequately insured and using appropriate preventive fall protection.

16. Opportunity to Cure Defaults. If Tenant fails to comply with any provision of this Agreement which Landlord claims to be a default hereof, Landlord shall serve written notice upon Tenant specifying the default, whereupon a grace period of thirty (30) days shall commence to run during which Tenant shall undertake and diligently pursue a cure of the default. Such grace period shall automatically be extended for an additional thirty (30) days, provided Tenant makes a good faith showing that efforts toward a cure are continuing.

17. Transfer of Tenant's Interest. Tenant's interest under this Agreement shall be assignable by Tenant, without the necessity of obtaining Landlord's consent, in connection with the transfer to the named holder of a FCC license or to an affiliate, subsidiary or partner of Tenant. Any other assignment of this Agreement by Tenant shall require Landlord's prior written consent, the approval of which shall not be unreasonably withheld.

18. Multiple Users. Tenant shall not sublet or otherwise subdivide the Leased Space or any portion thereof, or permit the Leased Space to be occupied by multiple simultaneous users claiming through or under Tenant.

19. Removal of Tenant's Property. Tenant's Equipment is agreed to be Tenant's personal property, and Tenant shall at all times be authorized to create security interests in said property specifically itemized, and to remove said property from the Leased Space free from any lien of Landlord. Upon the expiration or earlier termination of this Agreement, Tenant: (i) shall remove Tenant's Equipment in a good, efficient, and workmanlike manner and in compliance with all applicable legal requirements, (ii) shall repair any damage caused to the Tower and the Site caused by such removal, (iii) shall not interrupt or interfere with the operation of Landlord's communications system or Landlord's Equipment in removing Tenant's Equipment, and (iv) shall surrender the Tower and the Site in good condition, ordinary wear and tear excepted. In the event Tenant fails to remove any of Tenant's Equipment from the Tower or the Site within sixty (60) days of the expiration or earlier termination of this Agreement, Tenant shall be deemed to have abandoned Tenant's Equipment and Landlord shall be free to remove and dispose of Tenant's Equipment in any manner determined by Landlord, in Landlord's sole and absolute discretion, and without any liability to Tenant therefor. If Tenant is deemed to have abandoned Tenant's Equipment to Landlord, pursuant to the preceding sentence, Tenant shall reimburse Landlord within thirty (30) days of Tenant's receipt of an invoice from Landlord, for all costs incurred by Landlord in removing and disposing of Tenant's Equipment, such obligation to reimburse Landlord to survive the termination of this Agreement. Notwithstanding the foregoing, Tenant shall not have the right to, and may not, remove any structural enhancements to the Tower, such structural enhancements becoming the property of Landlord upon the expiration or earlier termination of this Agreement.

20. Default.

(a) Event of Default. The occurrence of one (1) or more of the following events shall constitute an "Event of Default" hereunder:

(i) Monetary Default. The failure by Tenant to make any payment of rent or any other payment required to be made by Tenant hereunder, as and when

due, where such failure shall continue for a period of ten (10) days after written notice thereof is received by Tenant from Landlord.

(ii) Other Default. The failure by a party to observe or perform any of the covenants or provisions of this Agreement to be observed or performed by such party, where such failure shall continue for a period of fifteen (30) days after written notice thereof is received from the other party; provided, however that it shall not be deemed an Event of Default by a party if the other party commences to cure such failure within such fifteen (30) day period and thereafter diligently prosecutes such cure to completion.

(b) Termination. If there occurs an Event of Default by Tenant, in addition to any other remedies available to Landlord at law or in equity, Landlord shall have the right to terminate this Agreement and all rights of Tenant hereunder. If there occurs an Event of Default by Landlord or if any permit or any approval of any federal, state or local government entity is cancelled, expires, terminated or withdrawn, or in addition to any other remedies available to Tenant at law or in equity, Tenant shall have the right to terminate this Agreement without further obligation under this Agreement other than the removal of Tenant's Equipment.

21. Termination. Tenant shall have the right to terminate this agreement at any time upon one (1) years prior written notice by Tenant to Landlord subsequent to the fifth (5th) year anniversary of the commencement date of this Agreement upon paying Landlord a termination fee equal to one (1) years rent at the rental rate in effect on the effective date of such termination and payable on the effective date of the termination.

22. Destruction. If the Tower is totally or substantially destroyed, Landlord, in Landlord's sole and absolute discretion, may terminate this Agreement or may rebuild the Tower at Landlord's expense. If Landlord elects to terminate this Agreement, all rights and obligations of Landlord and Tenant arising after the termination date shall terminate. If Landlord elects to rebuild the Tower, Tenant shall not be required to pay rent while the Tower is being rebuilt unless Landlord provides Tenant with alternative space.

23. Condemnation.

(a) Permanent and Entire Condemnation. In the event the Tower and the Site are permanently and entirely taken or condemned for public purposes or sold to a condemning authority under threat of condemnation, this Agreement shall terminate on the date of condemnation or sale. Upon termination of this Agreement, all rights and obligations of Landlord and Tenant arising after the termination date shall terminate.

(b) Temporary or Partial Condemnation or Damage. In the event the Tower and the Site are temporarily damaged, taken, or condemned in their entirety or in the event a portion of the Tower or the Site is temporarily or permanently damaged, taken, or condemned whereby the Tower is not able to be utilized by the Tenant as it was on the effective date for a period of one (1) year or more, then the Tenant shall have the right to terminate this Agreement from the time of the damage, taking, or condemnation until the

Leased Space is in its original condition. Landlord shall have the right to terminate this Agreement by giving Tenant written notice thereof or to provide alternative space to Tenant, such alternative space to be acceptable to Tenant in Tenant's sole and absolute discretion. If the alternative space is unacceptable to Tenant, Tenant shall give Landlord written notice thereof and, upon Landlord's receipt of such written notice, this Agreement shall terminate. If either Landlord or Tenant elects to terminate this Agreement, all rights and obligations of Landlord and Tenant arising after the termination date shall terminate, except for the parties' obligations concerning termination.

(c) Condemnation Award. Landlord shall receive the entire condemnation award for the Tower, Landlord's Equipment and the leasehold interest in the Site and Tenant hereby assigns to Landlord any and all right, title and interest of Tenant in and to such award. Tenant shall have the right to recover from such authority, but not from Landlord, any compensation awarded to Tenant on account of Tenant's Equipment, Tenant's moving and relocation expenses, and Tenant's lease interest.

24. Quiet Enjoyment. Landlord covenants that Tenant shall have quiet enjoyment of the Leased Space throughout the duration of the Agreement, as the same may be renewed and extended, and that Landlord will not intentionally disturb Tenant's occupation thereof as long as Tenant is not in default under this Agreement.

25. Attorney's Fees. In any action at law or in equity, the substantially prevailing party shall be entitled to recover the reasonable costs and expenses of its successful case, including reasonable attorney's fees and costs of appeal from the non-prevailing party.

26. Binding Effect. All of the covenants, conditions, and provisions of this Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

27. Entire Agreement. This Agreement constitutes the entire contract between the parties, and supersedes any prior understanding or oral or written agreements between them respecting the within subject matter.

28. Modifications. This Agreement may not be modified, except in writing signed by the party against whom such modification is sought to be enforced.

29. Severability. If any term of this Agreement is found to be void or invalid, such invalidity shall not affect the remaining terms of this Agreement, which shall continue in full force and effect. The parties shall agree that if any provisions are deemed not enforceable, they shall be deemed modified to the extent necessary to make them enforceable.

30. Authority. The persons who have executed this Agreement represent and warrant that they are duly authorized to execute this Agreement in their individual or representative capacity as indicated.

31. Environmental.
