Re: Liquor License Application (MAC / Twins) Koslo Concession Stand

An inspection was conducted at the Koslo Park Concession Stand regarding a liquor license application.

The health inspection conducted at this establishment included standard sanitation, equipment condition, food safety, plumbing, employee hygiene, toilet and hand washing facilities, insect and rodent control and general condition using Wisconsin Administrative Code and the Wisconsin Food Code (Food Establishment Code) as a basis for inspection procedures.

The inspection conducted at this location did not cite any health-related violations which would necessitate a recommendation to hold the liquor license application.
