Subject: Redistricting Ordinances

The Winnebago County Board of Supervisors accepted the City of Menasha's redistricting plan on September 6, 2011. The Calumet County Board of Supervisors will be acting on the plan at their regular meeting on September 20, 2011.

Staff is currently working on the ordinances describing the wards and aldermanic districts as outlined in the redistricting plan approved by the Council on July 14, 2011. Our plan is to present the ordinances establishing wards and aldermanic districts to the Administration Committee on October 3 for approval to the Common Council on October 17. State Statute requires the ordinance creating aldermanic districts must be published as a Class 2 Notice before being adopted by the Common Council.
