RE: Tom Schanke - Lot No. 16 of Lake Park Villas

Dear Mayor Merkes, Council Members, and Other Interested Parties:

The purpose of this letter is to follow-up on the comments that Tom Schanke and I made during the Public Comments segment of the Council Meeting conducted on Monday, June 6, 2011, at approximately 6:00 p.m. Mr. Schanke and I thank you for affording us the opportunity to speak and for your attentiveness.

To reiterate my requests of you at such Council Meeting, I hereby ask that you put Mr. Schanke's concerns on the upcoming Agenda for the next Council Meeting and duly notice the same, or in the alternative that you call a Special Meeting at which meeting Mr. Schanke and I could further address such matters with Mayor Merkes, Council Members, and City Attorney Pam Captain. To date, we feel strongly that Mr. Schanke has not been provided a sufficient forum or opportunity to address these matters with you.

Again, in an effort to explore an amicable resolution to these matters, I respectfully request that you follow-up with me promptly as to the foregoing. Mr. Schanke and I eagerly await your response. Please direct your response to my attention, as I am working with Attorneys Jim Rudd and Christine Wanless, collectively, from my office on this matter. I will be the lead contact going forward.

Yours truly,

Timothy B. Anderson
