RE: Elementary Police School Liaison Position

On behalf of the Police Department and the Menasha Area School District I am pleased to announce that Officer Jeff Jorgenson has been chosen to become the first officer assigned to the Menasha Elementary Schools.

Jeff began his career in 1996, after graduating from the University of Wisconsin – Oshkosh and working for the Department as a Community Service Officer. He has spent the majority of his career as the Crime Reduction Officer, where he created and managed countless community programs. Jeff has also worked as a Field Training Officer and a Crisis Response Team Member.

We are very excited for the opportunity Jeff has before him and wish him the best of luck in this position.
