Mayor Don Merkes

I'm writing you to express my interest in joining the Library board of trustees. My family and I moved to Menasha in 1992, and I have been using the library ever since. Within the passed year, I have started taking my kids to reading time as often as I can. They seem to enjoy it a lot. My daughter Aubrey loves being read to, and she is getting to the point now that she can pick up a word here and there on her own. We as a family look forward to visiting The Menasha Library quite often in the future. This opportunity would allow me the honor of continuing the excellence of this service. I take pride in being from Menasha and I will take pride in representing the Menasha Public Library.

Sincerely,

Nicholas S. Kiley
