Mayor Merkes,

It is with great sadness that I am forced to resign from the Neenah-Menasha Fire Commission. I will be moving out of Menasha next month and, so, will no longer be a resident of Menasha. I have enjoyed my time working with the other commissioners on the Commission, as well with Chief Auxier and everyone at Neenah-Menasha Fire Rescue.

I wish all the best to the Commission and the local firefighters. Thank you for allowing me to serve the City of Menasha in this small way. Please confirm that you will have a new commissioner in place prior to the May meeting of the Commission, or whether I should still plan to attend this month's meeting.

Thank you, again, for everything!

Liz
