Re: City of Menasha Alcohol Operator's License Application

Dear Ms. Quinn,

In conducting a background investigation in relationship to your alcohol operator's license application, the following information was determined:

On March 18, 2005 you plead No Contest to a Class H Felony charge of Misappropriation of Personal Identification in Winnebago County Court under guideline one of the City of Menasha Policy Guidelines for Operator's License, you do not qualify for an Operator's License because you have been convicted of a felony that substantially relates to the license for which you seek.

Based on this background investigation I will be recommending that the Menasha Common Council deny your request for an Operator's License in the City of Menasha.

Engaging in bartending involves the purchase and sale of a closely related substance/alcohol. Individuals granted an Operator's License must act in cooperation with law enforcement to enforce the alcohol beverage laws, drunk driving laws and assist with minimizing disturbances of the peace and maintaining the safety of the community. The incident you have been convicted of substantially relates to the license for which you have applied and arose out of an incident that occurred on June 6, 2003. The police department is recommending to the Common Council that they deny your application for an Alcohol Operator's License within the City of Menasha. The recommendation will be given to the Common Council at its next meeting on June 16, 2014

at 6:00 p.m. or shortly thereafter. Should you wish to provide comment to the Common Council on your application you may do so during the public participation portion of the meeting.

Sincerely,

Lt. Ron Bouchard
