- D. REPORT OF DEPT HEADS/STAFF/CONSULTANTS
 - 1. Senior Center Older Adult Director J. Wollerman discussed the number of visits to the senior center in October as being considerably higher than in September but down approx by 100 compared to October last year. The annual center Christmas party will be Dec. 3rd at noon. The quilters are making a quilt to donate for a raffle for the fundraising drive for the renovation. There will be new art and craft classes. The Pepsi soda machine will be replaced by a new smaller glass front refrigerator owned by the center so all profits will stay with the center. Currently Pepsi doesn't give any incentive to have the soda machine on the premises. The Meet and Greet for Neenah COA members has been postponed to follow the December meeting.
 - 2. Public Health Director S. Nett discussed the award of the community development block grant for public facilities. Grant funding was awarded at the requested amount of \$175,000. S. Nett also discussed the budget review for the senior center with the common council on Nov. 6th. There were no changes made at that time.
- E. New Business
 - 1. Community Development Block Grant Award
 - a. Fundraising J. Wollerman reported on the efforts to raise funds for the renovation. There have been 6 donations to date of varying amounts. Letters have gone out to major donors with a follow-up call being planned. Smaller fundraising efforts are also being held i.e. such as candy bar sales and a raffle is being planned which will be announced at the center's Christmas party. J. Wollerman reported there is currently \$10,311 in the legacy account and another \$5500 which is currently invested and will become available in July of 2014.
 - 2. 2014 Accreditation Process was discussed by J. Wollerman. The center is due to renew its accreditation and she is requesting assistance from the committee on aging to assist with reviewing and gathering documents for the review. She suggested reviewing a section at each committee meeting to simplify the process. Committee members were in agreement. J. Wollerman will bring the first section for review to the next meeting.
