

## MEMORANDUM

To: Common Council  
From: PRD Tungate *BT*  
Date: October 2, 2014  
RE: Gilbert Site Project Bid

Staff is pleased to inform you that a request for bids has gone out for the Gilbert Trail Development Project. The project was split into two separate bids to hopefully garner more competitive pricing and to allow some of the work to be carried out through the fall and winter months. Most of the trail work will occur next spring, with the expectation that the trail will be open to the public by next summer.

The bid deadline is October 14, 2014.
