MEMORANDUM

TO: Administration Committee
FROM: Greg Keil, CDD *GK*
DATE: July 16, 2014
RE: Annexation Impact Report – Kay V. Burroughs Trust

The Department of Community Development has considered the potential impacts of the Kay V. Burroughs Trust annexation as related to duties and functions of the department and as related to the growth and development of the community.

The two parcels included in this annexation comprise approximately three acres. The parcels are currently vacant. It is expected that these properties will develop into residential and commercial uses respectively.

Due to the small amount of territory included in the annexation, it is not anticipated that it will have a significant impact on the workload within the Community Development Department.

This annexation is consistent with the boundary agreement with the Town of Menasha. Adding this territory will make additional lands available for commercial and residential development and will result in increased tax base for the community. The Community Development Department supports this annexation as a logical extension of the city's boundary.

As with any annexation by the City, the service area for the Police Department does increase. However, I do not anticipate where these annexations would have an adverse impact requiring additional staffing or equipment above our current levels.

RE: Annexation Impact Report - Kay V. Burroughs Trust Dated August 2, 2002

Pursuant to City of Menasha Ordinance 13-1-123, I am providing the following report regarding the above noted proposed annexation:

- The Administrative Services Department will not require any additional full-time personnel, equipment, buildings, or other improvements if the annexation is approved.
- The Administrative Services Department will not incur any costs over and above those costs normally incurred in any annexation if the annexation is approved.
- Based upon an estimated assessed value of \$266,000, for the land, at the City's current assessment rate of \$10.3401, the City would realize an increase in tax collections of approximately \$2,750 annually if the annexation is approved.

Due to my statements above, and the absence of any negative effects, I am recommending that the Common Council vote to approve the annexation.

Subject: KAY BURROUGHS ANNEXATION

The proposed annexation submitted to our office on June 16, 2014 and as amended on July 2, 2014, has been reviewed and found to be in the public interest. In determining whether an annexation is in the public interest, s. 66.0217 (6), Wis. Stats. requires the Department to examine "[t]he shape of the proposed annexation and the homogeneity of the territory with the annexing village or city and any other contiguous village or city..." so as unincorporated land transitions to city or village status, the resulting boundaries are rational and easy for jurisdictions and residents to follow.

The subject petition consists of two separate parcels of reasonable shape; one of these parcels is not contiguous with the City of Menasha. However, the City and Town of Menasha have entered into an Intermunicipal Agreement per s. 66.027, Wis. Stats. and dated April 13, 1999 that provides for the annexation of these non-contiguous parcels into the City of Menasha.

The Department reminds clerks of annexing municipalities of the requirements of s. 66.0217 (9)(a), Wis. Stats., which states:

"The clerk of a city or village which has annexed shall file immediately with the secretary of state a certified copy of the ordinance, certificate and plat, and shall send one copy to each company that provides any utility service in the area that is annexed. The clerk shall record the ordinance with the register of deeds and file a signed copy of the ordinance with the clerk of any affected school district..."

State and federal aids based on population and equalized value may be significantly affected through failure to file with the Secretary of State. Please file a copy of your annexing ordinance, including a statement certifying the population of the annexed territory. **Please also include the MBR number with your ordinance as this assists with record keeping. Your MBR number is: 13787**
