RE: Sidewalk between School Court and Sixth Street - Boys & Girls Club Site

The implementation of the site plan for the Boys and Girls Club project will necessitate the relocation of the sidewalk that currently connects School Court and Sixth Street (see attached drawing). Several actions are required to bring this about as follows:

- Transfer of the land currently occupied by the sidewalk from the city to the Boys and Girls Club.
- Grant of a pedestrian easement from the Boys and Girls Club to the city.
- Construction of a new sidewalk by the Boys and Girls Club.

The new sidewalk will be constructed by the Boys and Girls Club at its expense. They will also be responsible for removal of snow and ice.
