Pat and Cathy,

Thank you very much for your comments regarding the proposed parking changes on Elm Street. I will make sure this information is distributed at Monday's Council meeting.

Mark

Subject: <SPAM CHECK> PARKING ON ELM STREET

Importance: Low

To whom it may concern,

My husband and I received the letter about parking on Elm street. Usually its just on the odd days/nights you can park on Elm. When the petition came around we thought it was a great idea to let people park on odd and even nights. Well we really regret signing that petition. We appreciate and think it was a great idea to have a trial run of it and we thank you for that.

Now we are against the parking on even days also. We have neighbors that abuse this privelage and park there for days at a time and sometimes all week long. Not just our neighbors but all the way down the street. Sometimes it is hard to see when pulling out of our driveway. We rarely park on the street but it would be nice to when we have a need to.

Thank you for taking this into consideration. We thank you for you time and effort put forth in this.

Thanks again

Pat and Cathy Brooks
