Subject: Resignation from Police Commission

Chief Styka,

I would like to submit my resignation from the Police Commission effective immediately. Sharon and I have decided to move to The Villages, FL and have an accepted offer on our Menasha home, with a closing date early June this year.

I must say that I truly have enjoyed being on the Police Commission over the years and especially the selection process to find a replacement for Robert Stanke. I believe the five of us worked well together during this process and with the City Attorney I believe we found the best candidate. It was a unanimous decision to bring you aboard as Police Chief for the City of Menasha. I believe Tim that we have made the right decision and wish you the best in your professional and personal life.

While depressed over this nations actions toward police and police departments in general, under your leadership, I do believe Menasha and the Fox Valley is in good hands.

Thank you for your professionalism and leadership.

I wish the Commission members my best, they are a fine group of lady and gentlemen who represent the city with the best of intentions going forth.

Thank you all for the Honor of working with you.

Sincerely,

Ron Duuck

PS: Debbie if you would inform the Mayor as well and Sharon and I will send you notice of our resignation from the Electoral duties we have done over the years.
