RE: Schedule of Public Hearings on Zoning Changes

Public hearing notices were published on the proposed zoning changes prior to the meeting time of the current Common Council being changed from 6:00 PM to 5:00 PM. The hearing times were scheduled for 6:00 PM or shortly thereafter. Therefore the public hearings and action items associated therewith are on the new council agenda.

These items include the rezoning of the parcel adjacent to 1233 Midway Road, and the amendment to the PUD Zoning District Standards. The ordinance effecting the rezoning of the parcels in the vicinity of Main and Mill streets is being deferred due to a procedural error in the notification of neighboring properties as described in my other memo accompanying this agenda.
