Hi Heather,

Here we go again, it's been over two years since my last letter announcing my retirement and I didn't want you to think that I had forgotten about it. As I said in my last letter, it is not often that an individual has the opportunity to work in a career field as rewarding and fulfilling as I have in the fire service. Starting from the first day you step foot through the door you look to achieve a level of accomplishment that makes you proud of your career and the life path you have chosen. The 37 years with the Neenah Fire Department and Neenah-Menasha Fire Rescue has included time spent as Fire Fighter, Shift Inspector, Driver Engineer, Fire Officer, Shift Commander, Assistant Chief/Fire Marshal and Fire Chief. I have been truly blessed and lucky to have worked for and with people I admire and consider friends.

However, all good things come to an end and it is with a great deal of pride and accomplishment that I have chosen to retire from the fire service and end my employment at Neenah-Menasha Fire Rescue. Please consider this as formal notification that my last day of work for NMFR will be Friday, May 6, 2016.

As I move into retirement I look forward to doing many of the hobbies and interests that I have grown to enjoy over the years. I will miss the friendships and the time I shared with everyone I have come to know and trust. I would like to thank the Cities of Neenah and Menasha for their trust and giving me the opportunity to fulfill my dreams and aspirations.

If you have any questions or need anything please let me know.

Thankfully Yours
