Re: 2nd Addition to Woodland Hills
Final Plat Review

To whom it may concern:

I am writing this letter of Variance to the plan commission to waive to requirement for the maximum length of a proposed cul-de-sac to be 500'. The cul-de-sac for Gosling Way Court in the 2nd addition to Woodland Hills needs to be longer (700'+/-) due to environmental issues, a navigable stream, and wetlands that run along the West & North side of the proposed development. The proposed layout for the 2nd Addition to Woodland Hills was mapped out to maximize the amount of lots in accordance with the existing lot lines around the exterior of said proposed development.

Thank you
