RE: Appointment of the City Attorney

I wish to express my interest in being reappointed to act as the City Attorney for the City of Menasha. Serving in this capacity since October 2009 has been an honor. Together we have worked through some unusually challenging legal struggles. This has been a community effort and I am proud to have been a part of this community that has worked so diligently to come out on top of an extremely difficult situation.

We are ready to move into another phase of the City's recovery – that is, winding up the steam utility and creating economic growth. I believe that I can contribute to the successful resolution of these and other issues Menasha is facing.

I am committed to working with you and this community and look forward to exciting changes for Menasha in the future. Thank you for your continued support.
