RE: 2013-14 Board Appointments

In considering aldermen appointments to boards and committees I have made efforts to make appointments that: are of interest to the alderman to be appointed, make use of the person's existing skills, equitably distribute the workload, and provide opportunities for elected officials to learn about different areas of the city and city functions.

I recommend the following placements for your confirmation:

Alderman Taylor	Heckrodt Wetland Reserve
Alderman Sevenich	Park and Recreation Board
Alderman Langdon	Parking Committee & NM Fire Rescue Joint Finance and Personnel
Alderman Keehan	Landmarks Commission & Housing Authority

In addition the following Aldermen already serve on the following boards:

Alderman Nichols	Library Board
Alderman Zelinski	Utility Commission
Alderman Englebert	Redevelopment Authority
