Acceptance of this proposal by Buyer shall be acceptance of all terms and conditions recited herein which shall supersede any conflicting term in any other contract document. Any of the Buyer's terms and conditions in addition or different from this proposal are objected to and shall have no effect. Buyer's agreement herewith shall be evidenced by Buyer's signature hereon or by permitting Seller to commence work for project.

As required by the Wisconsin Construction Lien Law, builder hereby notifies owner that persons or companies furnishing labor or materials for the construction on owner's land may have lien rights on owner's land and buildings if not paid. Those entitled to lien rights, in addition to the above signed builder, are those who contract directly with the owner or those who give the owner notice within 60 days after they first furnish labor or materials for the construction. Accordingly, owner probably will receive notices from those who furnish labor or materials for the construction, and should give a copy of each notice received to his mortgage lender, if any. Builder agrees to cooperate with the owner and his lender, if any, to see that all potential lien claimants are duly paid.

CONDITIONS OF PROPOSAL

NOTE: This proposal may be withdrawn by us if not accepted within **THIRTY** days. All material is guaranteed to be as specified. All work to be completed in workmanlike manner according to standard practices. Any alterations or deviation from specifications below involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, tornado and builders risk insurance. Our workers are fully covered by Workmen's Compensation Insurance.

- Nothing in this subcontract agreement shall require Seller to continue performance if timely payments are not made to Seller for suitably performed work or stored materials.
- Owner, Contractor and Tenant agree to allow Tri City Glass & Door to remove materials provided and installed by Tri City Glass & Door that have not been paid for within the specified payment terms detailed on the reverse side of this proposal. All parties further agree that any damage or security breach to the building resulting from the removal of the materials, which were provided, will be the responsibility of the party who was/is responsible for the payment of the materials.
- Nothing in this agreement shall serve to void Seller's right to file a lien or claim on its behalf in the event that any payment to Seller is not timely made.
- Locating of plumbing and electrical concealed in existing walls by owner/contractor. We are not responsible for damage caused if plumbing/electrical has not been properly located and marked prior to our drilling or anchoring.
- Various chemicals will damage aluminum and glass (uncured masonry, plaster, masonry cleaning acid, etc.). It is the owners/contractors responsibility to protect products from damage after installation.
- It is understood that if you use your own contract form, the conditions of this quotation fully apply unless specifically written out and mutually agreed upon.
- 25% restocking charge for inventory items.
- No returns on special order purchases or custom fabricated items.
- All homes and daycare facilities built prior to 1978 require lead safe work practices. Please inform us if your building was built prior to 1978.

THE FOLLOWING ARE NOT INCLUDED AND ARE TO BE THE OWNERS/CONTRACTORS RESPONSIBILITY:

- Building permit (if required)
- Temporary barricades (traffic, weather or theft)
- Any work done on the owners glass will be done at owners risk
- Electrical hook-up to door hardware if applicable
- Final cleaning of glass and aluminum
- Does not include removal or reinstallation of any security systems, buzzers, etc., unless noted otherwise
- Delivery to jobsite includes transportation to jobsite only, not unloaded or spotted
- Final painting of steel doors and frames*
*We will not be responsible for finish quality caused by the use of dark or high gloss paint. Special prep will be required by others when these paints are used.
- Exterior steel doors should be painted in a "LIGHT" semi-gloss color to prevent THERMOBOW and PREMATURE RUSTOUT.
