**Subject:** Re: Application for Grant - 68-66-68 1/2 A&B Racine Street, 445-445 1/2 Broad Street

Greg,

I'll get you all of the information you ask. In short here are some brief answers.

- 1) The Arch's will be "Wrapped" with Green "skin"
- 2) I've asked the two companies to provide some photos
- 3) Forest Greenish and an off white, that is close to the "cream" color already painted on the building
- 4) I thought that I included both quotes (in separate emails). I'll ensure that they are both sent to you soon.

I will plan on attending the August 14th meeting. Do I/can I meet with you prior to that to discuss?

Regards,  
Eric

Hi Eric: The Landmarks Commission made a preliminary review of your grant/loan application and have requested additional information as follows:

- What is to become of the arched area above the windows?
- Can you provide a photo and other information about the construction/appearance of the window units?
- In your application it was stated that the colors are green and white - what will be green and what will be white, also, what shade of green?
- The grant/loan policy requires a minimum of two quotes for projects over \$1,000.

The next scheduled meeting of the Landmarks Commission is Wednesday, August 14 at 4:30 PM. Please confirm whether you will be able to attend that meeting.

Thanks.  
Greg
