

Director's Report

Swimming Pool

June 10 will be opening day for the general public. As of this writing, we are on track from a staff preparedness and mechanical standpoint. Chad Bruechert is back with all our Assistant Manager's from last year.

Recreation Programs

Donny Allen returns as our Summer Program Supervisor. Programs begin June 15. Donny is well prepared.

New Park Superintendent

Asst. Park Superintendent Alix will distribute a memo describing the person scheduled to be hired. The timing of this memo was because we have to wait until Thursday, June 4 for medical clearance of the candidate.

New Park

Appleton officials were given a sample draft agreement to review. This agreement is designed to place us (all three communities) first in line to negotiate an offer to purchase with the landowner. I will follow-up on this when I return.

Friendship Trail

A June 4 staff meeting with officials from Calumet County, Town of Harrison, and City of Menasha has been scheduled. I will report on the outcome of this meeting in July.

Gilbert Site

We hope to hear positive news on the status of our federal grant application for restoring this site for public use and redevelopment by mid to late June. There is a possibility this may occur while I am on vacation.
