**Subject:** Lot information

Good afternoon. I found this email address on the Lake Park Villas website regarding lot information. I live in the neighboring ponds of Menasha community and would like to inquire about a lot that adjoins mine. Lot 7R in the Villas is directly behind my lot at 971 Lotus trail and I am wondering if it would be possible to acquire part of it to add to my property? I'm really not looking to buy the entire lot just a section of it to extend my property about 30 feet. Is this something that is negotiable? I was thinking that maybe the remainder of the lot could be divided up between the adjoining lots on either side or it could be made into out lot space like on the other side of the cup-de-sac. I am looking forward to hearing from you.

Hi Kristi,

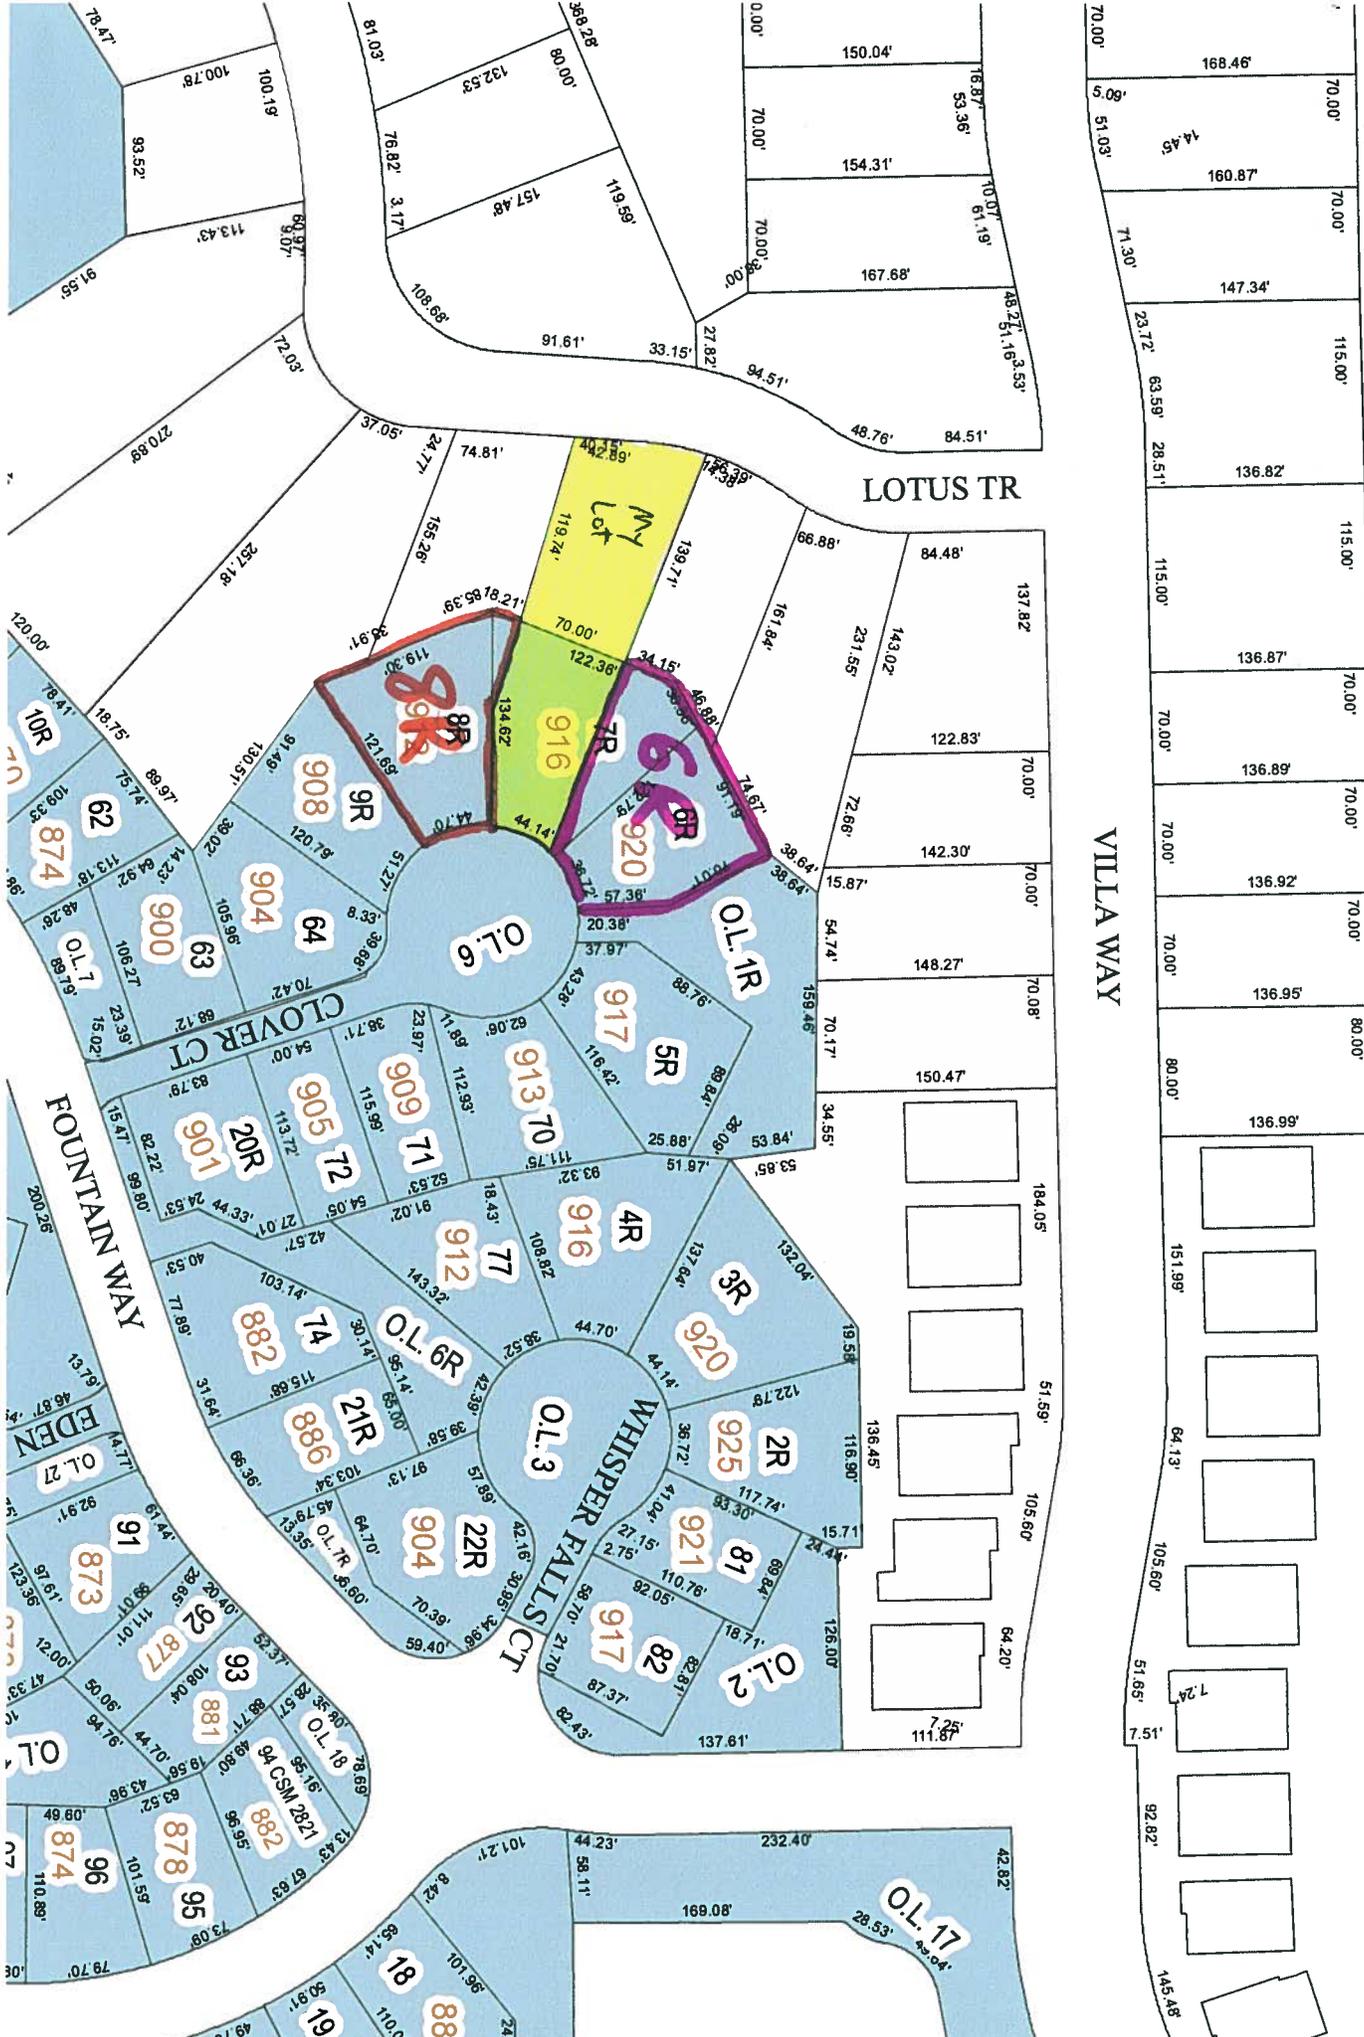

Per your request, I have outlined 4 options in the attached document. These are by no means the only options as I am flexible on how this might work. Options 1 & 2 are most preferred from a cost standpoint. However, I realize that options 3 & 4 would make the most logistic sense and would be open to either of those if the cost is not prohibitive for us to do so. I also welcome any other ideas that Director Keil may have. Thank you for considering my proposals.

Regards,  
Nathan
