RE: Update on Racine Street/Road and Ninth Street Construction Project

According to the most recent construction update we received from WisDOT, the Racine Street/Road Roundabout (WisDOT Project Number 1517-75-76) will be opening to traffic on Tuesday, October 4, 2016. The anticipated time of opening has not been confirmed but it is expected to be later in the day or into the evening on Tuesday.

Please contact our office with any questions related to this ongoing Project.
