

Fall Leaf Collection Schedule

Leaf collection will begin Tuesday, October 18 and end Wednesday, November 18, 2011. City crews will be in your area multiple times. **Heavy volume may cause crews to fall behind schedule, but we will proceed in sequence through the entire city.** We appreciate your patience.

- **Place leaves loose on the terrace, not on the street.** Your cooperation will reduce street drainage problems and inlet clogs.
- Grass clippings and garden stalks must be shorter than 12 inches in length.
- Separate leaves from the brush. Brush collection is the first full work week of every month on your regular refuse collection day.

In the event of an early snowfall or not getting your leaves out to the terrace prior to the last collection in your neighborhood; the city has a drop-off site located at the Public Works Facility located at 455 Baldwin Street. Starting November 28th, hours for the drop-off site will change to 7:00 a.m.-3:00 p.m., Monday through Friday only. Extended hours will resume in 2012 after the Spring Clean Up.

Please contact the Public Works Facility at 967-3620 with any questions.
