Rescue's Dive Team

May 14, 2011
8:30 p.m. to Midnight
Presale tickets \$10
Tickets at the Door \$15
LOTS of Raffles
Purchase tickets at any
NMFR Station

Our beloved Bruce Peterson, age 58, drowned on Lake Winnebago, on Saturday Feb 19th, 2011 as he removed his shack from the ice after being out sturgeon spearing.

His brother and nephew were with him when his truck broke through the ice. By the grace of god, they were able to get out and survived.

Bruce worked at the Holiday Inn Appleton as Executive Engineer for 25 years. He enjoyed sturgeon spearing, bow hunting and walleye fishing. His favorite times were spent with his four grandchildren, teaching them about fishing and hunting. And spoiling them!

Bruce was a very caring man who touched hundreds of people. He would always assist anyone with whatever was needed. He tried to keep a gruff exterior, but Bruce was a gentle loving man and will be missed and loved by family and friends forever.

Our goal is to spare another family the tragedy that we went through, and raise enough money to fund the Neenah-Menasha Fire & Rescue Dive Program.
