MEMORANDUM

TO: Mayor Merkes, Administration Committee Chairman Klein and the members of the City of Menasha Administration Committee

FROM: City Comptroller/Treasurer Stoffel *tro*

DATE: 08/08/2011

SUBJECT: Loan between TIF # 10 and TIF # 5

TIF # 10 has a principal payment due in 2011 in the amount of \$375,000 plus an interest payment of \$21,750. This is the only debt ever incurred by this TIF district which includes the 3<sup>rd</sup> Street corridor.

TIF # 10 has a current balance of approximately \$150,000. In order to make the debt service payment and also benefit TIF # 5, I would request Council approval of a \$250,000 loan from TIF # 5 to TIF # 10. TIF # 5 is projected to have a balance at year end of approximately \$540,000. I would propose that TIF # 10 would take out the loan at the same rate (3.75%) that the Board of Commissioners of Public Lands would charge the City if the City were to borrow the money from the State. This benefits TIF # 5 in that its current invested funds do not make anything near the rate that the State would be charging. The repayment schedule can be set up to best meet the cash flow of TIF # 10, which would give that TIF some flexibility if increments are better or worse than projected and there would be no prepayment penalty.

I would ask that the Administration Committee support this request and forward the loan to the Common Council for approval.

RE: Sale of Racine Street Lots

**Background**

There has been a long history of city involvement with regard to the acquisition of these properties dating back to early 2003 when negotiations began with the owners of 81 and 87 Racine Street. These negotiations continued through most of 2004, when it was concluded that the prices being asked by the owners (which were multiples of the assessed values) were unreasonable. At that juncture, the Common Council adopted attached Resolution R-39-04, initiating the process for taking the property via eminent domain, citing parking, blight elimination and enhancement of the appearance of the community as the public purpose for the taking.

This process was followed through to conclusion on 87 Racine Street, but was terminated on 81 Racine when agreement was reached on the sale price. These transactions were completed in 2006. The other property that is included with the Racine Street Lots is the former 504 Broad Street, a dilapidated duplex that was acquired to facilitate the redevelopment of the 500 block of Broad Street along with the Headwaters condominium project.

The environmental remediation work on 81 Racine was completed prior to acquisition by the city. The remediation work on 87 Racine has also been completed, but monitoring is still ongoing. We are expecting a closure letter on this site from the DNR in the next year or so, depending on monitoring results.

Several concepts for the conversion of the site to parking and green space were presented to the Plan Commission and the Common Council. None of them were accepted by the council, and in 2007, attached Resolution R-19-07 was approved directing that other uses for the site be explored.

Altogether, the costs for land acquisition were about \$282,000. The total amount invested in the site is about \$420,000, with about \$136,000 being reimbursed through the PECFA grant program, leaving the city with a net cost of about \$284,000.

The listed sale price on the property is \$115,000, the assessed value of commercial land in this portion of the Racine Street corridor is \$5.00 sq. ft. This parcel is \$21,188 square feet, which would have a corresponding assessed value of \$105,940.

## Recommendations

There are many factors to consider in determining what the best thing is to do with this property. These considerations include economic impact, aesthetic, traffic and safety, and how the development of the parcel would affect the community and the neighborhood, as well as sale price. I urge the Common Council to take a long range view of these considerations when making its decision whether to sell the property for any particular use.

The economic impact of a project on the site should be considered in terms of the value of site improvements and related tax revenues, job creation or retention, and whether the development will promote or detract from development opportunities on other properties in the vicinity. . In this instance, the economic impact is difficult to assess because the project has not been defined beyond a stated desire for additional parking, and the expression of a possibility for future expansion of an existing business. If the only improvement is parking surface and landscaping, the taxable value will be minimal, with little spin-off benefit from any known development. It is my opinion that the buyer should be making commitments to ensure there will be measurable benefits to the community associated with the project beyond the establishment of a parking lot. This is particularly the case when the city has large investments in a property, and only a fraction will be recovered through the sale price.

With regard to aesthetics, the Shreiber - Anderson plan for the Third and Racine Street Corridor identified this area as an important entry corridor for the downtown and suggested aesthetic improvements for the area. This could be accomplished as the buyers proposal suggests there would considerable landscaping on the site. However, taken as a whole the landscaping and parking lot need to be measured in a larger context of whether that is the highest and best use of the site.

There will be traffic and safety considerations with regard to the future use of the site. These will be influenced by the intensity if use of the site and the configuration of access and parking. I do not have a strong opinion as to whether the buyers proposed use will enhance safety, or impose a greater risk, but will note that employees and/or clients would need to cross the Broad Street to access the parking lot.

As noted above, the impact on the neighborhood and community are hard to assess. What's being proposed is a parking lot and landscaping. What's been talked about is the addition to an existing building and the prospects for expanded business. More needs to be known whether these are just possibilities, or are planned future projects with a timetable and commitments from the seller.

It is my recommendation that the Common Council reject the offer to purchase unless the buyer is willing to commit to development beyond the parking lot and landscaping.

 115 new owner must sign and file a report of the change of ownership on a form provided by the Department of Natural Resources  
 116 and pay a fee. By filing this form, the new owner agrees to the associated MFL management plan and the MFL program rules.  
 117 The DNR Division of Forestry monitors forest management plan compliance. Changes you make to property that is subject to  
 118 an order designating it as managed forest land, or to its use, may jeopardize your benefits under the program or may cause

 124 **occupied for farming or grazing purposes.**

125 **USE VALUE ASSESSMENTS:** The use value assessment system values agricultural land based on the income that would be  
 126 generated from its rental for agricultural use rather than its fair market value. When a person converts agricultural land to a  
 127 non-agricultural use (e.g., residential or commercial development), that person may owe a conversion charge. To obtain more  
 128 information about the use value law or conversion charge, contact the Wisconsin Department of Revenue's Equalization  
 129 Section or visit <http://www.revenue.wi.gov/>.

130 **FARMLAND PRESERVATION:** Rezoning a property zoned farmland preservation to another use or the early termination of a  
 131 farmland preservation agreement or removal of land from such an agreement can trigger payment of a conversion fee equal to  
 132 3 times the class 1 "use value" of the land. Contact the Wisconsin Department of Agriculture, Trade and Consumer Protection  
 133 Division of Agricultural Resource Management or visit <http://www.datcp.state.wi.us/> for more information.

134 **CONSERVATION RESERVE PROGRAM (CRP):** The CRP encourages farmers, through contracts with the U.S. Department  
 135 of Agriculture, to stop growing crops on highly erodible or environmentally sensitive land and instead to plant a protective  
 136 cover of grass or trees. CRP contracts run for 10 to 15 years, and owners receive an annual rent plus one-half of the cost of  
 137 establishing permanent ground cover. Removing lands from the CRP in breach of a contract can be quite costly. For more  
 138 information call the state Farm Service Agency office or visit <http://www.fsa.usda.gov/>.

139 **SHORELAND ZONING ORDINANCES:** All counties must adopt shoreland zoning ordinances that meet or are more  
 140 restrictive than Wis. Admin. Code Chapter NR 115. County shoreland zoning ordinances apply to all unincorporated land  
 141 within 1,000 feet of a navigable lake, pond or flowage or within 300 feet of a navigable river or stream and establish minimum  
 142 standards for building setbacks and height limits, cutting trees and shrubs, lot sizes, water runoff, impervious surface  
 143 standards (that may be exceeded only if a mitigation plan is adopted) and repairs to nonconforming structures. Buyers must  
 144 conform to any existing mitigation plans. For more information call the county zoning office or visit <http://www.dnr.state.wi.us/>.  
 145 Buyer is advised to check with the applicable city, town or village for additional shoreland zoning restrictions, if any.

146 **BUYER'S PRE-CLOSING WALK-THROUGH** Within 3 days prior to closing, at a reasonable time pre-approved by Seller or  
 147 Seller's agent, Buyer shall have the right to walk through the Property to determine that there has been no significant change  
 148 in the condition of the Property, except for ordinary wear and tear and changes approved by Buyer, and that any defects  
 149 Seller has agreed to cure have been repaired in the manner agreed to by the Parties.

150 **PROPERTY DAMAGE BETWEEN ACCEPTANCE AND CLOSING** Seller shall maintain the Property until the earlier of  
 151 closing or occupancy of Buyer in materially the same condition as of the date of acceptance of this Offer, except for ordinary  
 152 wear and tear. If, prior to closing, the Property is damaged in an amount of not more than five percent (5%) of the selling price,  
 153 Seller shall be obligated to repair the Property and restore it to the same condition that it was on the day of this Offer. No later  
 154 than closing, Seller shall provide Buyer with lien waivers for all lienable repairs and restoration. If the damage shall exceed  
 155 such sum, Seller shall promptly notify Buyer in writing of the damage and this Offer may be canceled at option of Buyer.  
 156 Should Buyer elect to carry out this Offer despite such damage, Buyer shall be entitled to the insurance proceeds, if any,  
 157 relating to the damage to the Property, plus a credit towards the purchase price equal to the amount of Seller's deductible on  
 158 such policy, if any. However, if this sale is financed by a land contract or a mortgage to Seller, any insurance proceeds shall  
 159 be held in trust for the sole purpose of restoring the Property.

IF LINE 190 IS NOT MARKED OR IS MARKED N/A, LINES 230-236 APPLY.

189  
190 **n/a** **FINANCING CONTINGENCY:** This Offer is contingent upon Buyer being able to obtain a written \_\_\_\_\_  
191 \_\_\_\_\_ [INSERT LOAN PROGRAM OR SOURCE] first mortgage  
192 loan commitment as described below, within \_\_\_\_\_ days of acceptance of this Offer. The financing selected shall be in an  
193 amount of not less than \$ \_\_\_\_\_ for a term of not less than \_\_\_\_\_ years, amortized over not less than \_\_\_\_\_ years.

195 also include 1/12th of the estimated net annual real estate taxes, hazard insurance premiums, and private mortgage insurance  
196 premiums. The mortgage may not include a prepayment premium. Buyer agrees to pay discount points and/or loan origination  
197 fee in an amount not to exceed \_\_\_\_\_ % of the loan. If the purchase price under this Offer is modified, the financed amount,  
198 unless otherwise provided, shall be adjusted to the same percentage of the purchase price as in this contingency and the  
199 monthly payments shall be adjusted as necessary to maintain the term and amortization stated above.

200 **CHECK AND COMPLETE APPLICABLE FINANCING PROVISION AT LINE 201 or 202.**

201  **FIXED RATE FINANCING:** The annual rate of interest shall not exceed \_\_\_\_\_ %.  
202  **ADJUSTABLE RATE FINANCING:** The initial annual interest rate shall not exceed \_\_\_\_\_ %. The initial interest  
203 rate shall be fixed for \_\_\_\_\_ months, at which time the interest rate may be increased not more than \_\_\_\_\_ % per  
204 year. The maximum interest rate during the mortgage term shall not exceed \_\_\_\_\_ %. Monthly payments of principal  
205 and interest may be adjusted to reflect interest changes.

206 If Buyer is using multiple loan sources or obtaining a construction loan or land contract financing, describe at lines 458-464 or  
207 526-534 or in an addendum attached per line 525.

208 **BUYER'S LOAN COMMITMENT:** Buyer agrees to pay all customary loan and closing costs, to promptly apply for a  
209 mortgage loan, and to provide evidence of application promptly upon request of Seller. If Buyer qualifies for the loan described  
210 in this Offer or another loan acceptable to Buyer, Buyer agrees to deliver to Seller a copy of the written loan commitment no  
211 later than the deadline at line 192. **Buyer and Seller agree that delivery of a copy of any written loan commitment to  
212 Seller (even if subject to conditions) shall satisfy the Buyer's financing contingency if, after review of the loan  
213 commitment, Buyer has directed, in writing, delivery of the loan commitment. Buyer's written direction shall  
214 accompany the loan commitment. Delivery shall not satisfy this contingency if accompanied by a notice of  
215 unacceptability.**

216 **CAUTION: The delivered commitment may contain conditions Buyer must yet satisfy to obligate the lender to provide  
217 the loan. BUYER, BUYER'S LENDER AND AGENTS OF BUYER OR SELLER SHALL NOT DELIVER A LOAN  
218 COMMITMENT TO SELLER OR SELLER'S AGENT WITHOUT BUYER'S PRIOR WRITTEN APPROVAL OR UNLESS  
219 ACCOMPANIED BY A NOTICE OF UNACCEPTABILITY.**

220 **SELLER TERMINATION RIGHTS:** If Buyer does not make timely delivery of said commitment, Seller may terminate this  
221 Offer if Seller delivers a written notice of termination to Buyer prior to Seller's Actual Receipt of a copy of Buyer's written loan  
222 commitment.

223 **FINANCING UNAVAILABILITY:** If financing is not available on the terms stated in this Offer (and Buyer has not already  
224 delivered an acceptable loan commitment for other financing to Seller), Buyer shall promptly deliver written notice to Seller of  
225 same including copies of lender(s)' rejection letter(s) or other evidence of unavailability. Unless a specific loan source is  
226 named in this Offer, Seller shall then have 10 days to deliver to Buyer written notice of Seller's decision to finance this  
227 transaction on the same terms set forth in this Offer and this Offer shall remain in full force and effect, with the time for closing  
228 extended accordingly. If Seller's notice is not timely given, this Offer shall be null and void. Buyer authorizes Seller to obtain  
229 any credit information reasonably appropriate to determine Buyer's credit worthiness for Seller financing.

230 **IF THIS OFFER IS NOT CONTINGENT ON FINANCING:** Within 7 days of acceptance, a financial institution or third party  
231 in control of Buyer's funds shall provide Seller with reasonable written verification that Buyer has, at the time of verification,  
232 sufficient funds to close. If such written verification is not provided, Seller has the right to terminate this Offer by delivering  
233 written notice to Buyer. Buyer may or may not obtain mortgage financing but does not need the protection of a financing  
234 contingency. Seller agrees to allow Buyer's appraiser access to the Property for purposes of an appraisal. Buyer understands  
235 and agrees that this Offer is not subject to the appraisal meeting any particular value, unless this Offer is subject to an  
236 appraisal contingency, nor does the right of access for an appraisal constitute a financing contingency.

237 **n/a** **APPRAISAL CONTINGENCY:** This Offer is contingent upon the Buyer or Buyer's lender having the Property appraised  
238 at Buyer's expense by a Wisconsin licensed or certified independent appraiser who issues an appraisal report dated  
239 subsequent to the date of this Offer indicating an appraised value for the Property equal to or greater than the agreed upon  
240 purchase price. This contingency shall be deemed satisfied unless Buyer, within \_\_\_\_\_ days of acceptance, delivers to  
241 Seller a copy of the appraisal report which indicates that the appraised value is not equal to or greater than the agreed upon  
242 purchase price, accompanied by a written notice of termination.

243 **CAUTION: An appraisal ordered by Buyer's lender may not be received until shortly before closing. Consider whether  
244 deadlines provide adequate time for performance.**

- 279 ■ **DEADLINES:** "Deadlines" expressed as a number of "days" from an event, such as acceptance, are calculated by excluding  
280 the day the event occurred and by counting subsequent calendar days. The deadline expires at midnight on the last day.  
281 Deadlines expressed as a specific number of "business days" exclude Saturdays, Sundays, any legal public holiday under  
282 Wisconsin or Federal law, and any other day designated by the President such that the postal service does not receive  
283 registered mail or make regular deliveries on that day. Deadlines expressed as a specific number of "hours" from the

285 per calendar day. Deadlines expressed as a specific day of the calendar year or as the day of a specific event, such as  
286 closing, expire at midnight of that day.

- 297 **PROPERTY DEVELOPMENT WARNING** If Buyer contemplates developing Property for a use other than the current use,  
298 there are a variety of issues which should be addressed to ensure the development or new use is feasible. Municipal and  
299 zoning ordinances, recorded building and use restrictions, covenants and easements may prohibit certain improvements or  
300 uses and therefore should be reviewed. Building permits, zoning variances, Architectural Control Committee approvals,  
301 estimates for utility hook-up expenses, special assessments, changes for installation of roads or utilities, environmental audits,  
302 subsoil tests, or other development related fees may need to be obtained or verified in order to determine the feasibility of  
303 development of, or a particular use for, a property. Optional contingencies which allow Buyer to investigate certain of these  
304 issues can be found at lines 306-350 and Buyer may add contingencies as needed in addenda (see line 525). Buyer should  
305 review any plans for development or use changes to determine what issues should be addressed in these contingencies.

306 **n/a** **PROPOSED USE CONTINGENCIES:** Buyer is purchasing the Property for the purpose of: \_\_\_\_\_  
307 \_\_\_\_\_

313 agrees to cooperate with Buyer as necessary to satisfy the contingencies checked at lines 314-350.

314 **n/a** **ZONING CLASSIFICATION CONFIRMATION:** This Offer is contingent upon Buyer obtaining, at (Buyer's) (Seller's)

320 development.

321 **n/a** **PRIVATE ONSITE WASTEWATER TREATMENT SYSTEM (POWTS) SUITABILITY:** This Offer is contingent  
322 upon Buyer obtaining, at (Buyer's) (Seller's) **[STRIKE ONE]** ("Buyer's" if neither is stricken) expense, written evidence from

324 be approved, meet the legal requirements in effect on the date of this Offer to obtain a permit for a POWTS for use of the  
325 Property as stated on lines 306-308. The POWTS (septic system) allowed by the written evidence must be one of

329 **n/a** **EASEMENTS AND RESTRICTIONS:** This Offer is contingent upon Buyer obtaining, at (Buyer's) (Seller's) **[STRIKE]**  
330 **[ONE]** ("Buyer's" if neither is stricken) expense, copies of all public and private easements, covenants and restrictions  
331 affecting the Property and a written determination by a qualified independent third party that none of these prohibit or  
332 significantly delay or increase the costs of the proposed use or development identified at lines 306-308.

344 ("Buyer's" if neither is stricken) expense, written verification that there is legal vehicular access to the Property from public  
345 roads.

346 **n/a** **LAND USE APPROVAL:** This Offer is contingent upon Buyer obtaining, at (Buyer's) (Seller's) **[STRIKE ONE]** ("Buyer's" if  
347 neither is stricken) expense, a  rezoning;  conditional use permit;  license;  variance;  building permit;   
348 occupancy permit;  other \_\_\_\_\_ **[CHECK ALL THAT APPLY]**, and delivering

352 providing" if neither is stricken) a Map of the Property dated subsequent to the date of acceptance of this Offer prepared by a  
353 registered land surveyor, within \_\_\_\_\_ days of acceptance, at (Buyer's) (Seller's) **[STRIKE ONE]** ("Seller's" if neither is stricken)

358 staking of all corners of the Property; identifying dedicated and apparent streets; lot dimensions; total acreage or square  
359 footage; easements or rights-of-way. **CAUTION: Consider the cost and the need for map features before selecting them.**  
360 **Also consider the time required to obtain the map when setting the deadline.** This contingency shall be deemed satisfied  
361 unless Buyer, within five days of the earlier of: (1) Buyer's receipt of the map; or (2) the deadline for delivery of said map,  
362 delivers to Seller a copy of the map and a written notice which identifies: (1) the significant encroachment; (2) information  
363 materially inconsistent with prior representations; or (3) failure to meet requirements stated within this contingency.  
364 Upon delivery of Buyer's notice, this Offer shall be null and void.

365 **PROPERTY DIMENSIONS AND SURVEYS** Buyer acknowledges that any land dimensions, total square footage, acreage  
 366 figures, or allocation of acreage information, provided to Buyer by Seller or by a broker, may be approximate because of  
 367 rounding, formulas used or other reasons, unless verified by survey or other means.

368 **CAUTION: Buyer should verify land dimensions, total square footage/acreage figures and allocation of acreage**  
 369 **information if material to Buyer's decision to purchase.**

370 **EARNEST MONEY**

371 ■ **HELD BY:** Unless otherwise agreed, earnest money shall be paid to and held in the trust account of the listing broker  
 372 (Buyer's agent if Property is not listed or Seller's account if no broker is involved), until applied to the purchase price or  
 373 otherwise disbursed as provided in the Offer.

374 **CAUTION: Should persons other than a broker hold earnest money, an escrow agreement should be drafted by the**  
 375 **Parties or an attorney. If someone other than Buyer makes payment of earnest money, consider a special**  
 376 **disbursement agreement.**

377 ■ **DISBURSEMENT:** If negotiations do not result in an accepted offer, the earnest money shall be promptly disbursed (after  
 378 clearance from payor's depository institution if earnest money is paid by check) to the person(s) who paid the earnest money.  
 379 At closing, earnest money shall be disbursed according to the closing statement. If this Offer does not close, the earnest  
 380 money shall be disbursed according to a written disbursement agreement signed by all Parties to this Offer. If said  
 381 disbursement agreement has not been delivered to broker within 60 days after the date set for closing, broker may disburse  
 382 the earnest money: (1) as directed by an attorney who has reviewed the transaction and does not represent Buyer or Seller;  
 383 (2) into a court hearing a lawsuit involving the earnest money and all Parties to this Offer; (3) as directed by court order; or (4)  
 384 any other disbursement required or allowed by law. Broker may retain legal services to direct disbursement per (1) or to file an  
 385 interpleader action per (2) and broker may deduct from the earnest money any costs and reasonable attorneys fees, not to  
 386 exceed \$250, prior to disbursement.

387 ■ **LEGAL RIGHTS/ACTION:** Broker's disbursement of earnest money does not determine the legal rights of the Parties in  
 388 relation to this Offer. Buyer's or Seller's legal right to earnest money cannot be determined by broker. At least 30 days prior to  
 389 disbursement per (1) or (4) above, broker shall send Buyer and Seller notice of the disbursement by certified mail. If Buyer or  
 390 Seller disagree with broker's proposed disbursement, a lawsuit may be filed to obtain a court order regarding disbursement.  
 391 Small Claims Court has jurisdiction over all earnest money disputes arising out of the sale of residential property with 1-4  
 392 dwelling units and certain other earnest money disputes. Buyer and Seller should consider consulting attorneys regarding their  
 393 legal rights under this Offer in case of a dispute. Both Parties agree to hold the broker harmless from any liability for good faith  
 394 disbursement of earnest money in accordance with this Offer or applicable Department of Regulation and Licensing  
 395 regulations concerning earnest money. See Wis. Admin. Code Ch. RL 18.

396 **DISTRIBUTION OF INFORMATION** Buyer and Seller authorize the agents of Buyer and Seller to: (i) distribute copies of the  
 397 Offer to Buyer's lender, appraisers, title insurance companies and any other settlement service providers for the transaction as  
 398 defined by the Real Estate Settlement Procedures Act (RESPA); (ii) report sales and financing concession data to multiple  
 399 listing service sold databases; and (iii) provide active listing, pending sale, closed sale and financing concession information  
 400 and data, and related information regarding seller contributions, incentives or assistance, and third party gifts, to appraisers  
 401 researching comparable sales, market conditions and listings, upon inquiry.

402 **NOTICE ABOUT SEX OFFENDER REGISTRY** You may obtain information about the sex offender registry and persons  
 403 registered with the registry by contacting the Wisconsin Department of Corrections on the Internet at

465 **DEFAULT** Seller and Buyer each have the legal duty to use good faith and due diligence in completing the terms and  
466 conditions of this Offer. A material failure to perform any obligation under this Offer is a default which may subject the  
467 defaulting party to liability for damages or other legal remedies.

468 If **Buyer defaults**, Seller may:

469 (1) sue for specific performance and request the earnest money as partial payment of the purchase price; or  
470 (2) terminate the Offer and have the option to: (a) request the earnest money as liquidated damages; or (b) sue for  
471 actual damages.

472 If **Seller defaults**, Buyer may:

473 (1) sue for specific performance; or  
474 (2) terminate the Offer and request the return of the earnest money, sue for actual damages, or both.

475 In addition, the Parties may seek any other remedies available in law or equity.

476 The Parties understand that the availability of any judicial remedy will depend upon the circumstances of the situation and the  
477 discretion of the courts. If either Party defaults, the Parties may renegotiate the Offer or seek nonjudicial dispute resolution  
478 instead of the remedies outlined above. By agreeing to binding arbitration, the Parties may lose the right to litigate in a court of  
479 law those disputes covered by the arbitration agreement.

480 **NOTE: IF ACCEPTED, THIS OFFER CAN CREATE A LEGALLY ENFORCEABLE CONTRACT. BOTH PARTIES SHOULD**  
481 **READ THIS DOCUMENT CAREFULLY. BROKERS MAY PROVIDE A GENERAL EXPLANATION OF THE PROVISIONS**  
482 **OF THE OFFER BUT ARE PROHIBITED BY LAW FROM GIVING ADVICE OR OPINIONS CONCERNING YOUR LEGAL**

488 **INSPECTIONS AND TESTING** Buyer may only conduct inspections or tests if specific contingencies are included as a part of  
489 this Offer. An "inspection" is defined as an observation of the Property which does not include an appraisal or testing of the  
490 Property, other than testing for leaking carbon monoxide, or testing for leaking LP gas or natural gas used as a fuel source,  
491 which are hereby authorized. A "test" is defined as the taking of samples of materials such as soils, water, air or building  
492 materials from the Property and the laboratory or other analysis of these materials. Seller agrees to allow Buyer's inspectors,  
493 testers and appraisers reasonable access to the Property upon advance notice, if necessary to satisfy the contingencies in  
494 this Offer. Buyer and licensees may be present at all inspections and testing. Except as otherwise provided, Seller's  
495 authorization for inspections does not authorize Buyer to conduct testing of the Property.

496 **NOTE: Any contingency authorizing testing should specify the areas of the Property to be tested, the purpose of the**  
497 **test, (e.g., to determine if environmental contamination is present), any limitations on Buyer's testing and any other**  
498 **material terms of the contingency.**

499 Buyer agrees to promptly restore the Property to its original condition after Buyer's inspections and testing are completed  
500 unless otherwise agreed to with Seller. Buyer agrees to promptly provide copies of all inspection and testing reports to Seller.  
501 Seller acknowledges that certain inspections or tests may detect environmental pollution which may be required to be reported  
502 to the Wisconsin Department of Natural Resources.

503  INSPECTION CONTINGENCY: This contingency only authorizes inspections, not testing (see lines 488-502). This Offer  
504 is contingent upon a qualified independent inspector(s) conducting an inspection(s), of the Property which discloses no  
505 Defects. This Offer is further contingent upon a qualified independent inspector or independent qualified third party performing  
506 an inspection of \_\_\_\_\_

508 inspection(s) and be responsible for all costs of inspection(s). Buyer may have follow-up inspections recommended in a  
509 written report resulting from an authorized inspection performed provided they occur prior to the deadline specified at line 513.  
510 Inspection(s) shall be performed by a qualified independent inspector or independent qualified third party.

511 **CAUTION: Buyer should provide sufficient time for the primary inspection and/or any specialized inspection(s), as  
512 well as any follow-up inspection(s).**

513 This contingency shall be deemed satisfied unless Buyer, within \_\_\_\_ days of acceptance, delivers to Seller a copy of the written  
514 inspection report(s) and a written notice listing the Defect(s) identified in those report(s) to which Buyer objects (Notice of Defects).

515 **CAUTION: A proposed amendment is not a Notice of Defects and will not satisfy this notice requirement.**

516 For the purposes of this contingency, Defects (see lines 287-289) do not include conditions the nature and extent of which the  
517 Buyer had actual knowledge or written notice before signing this Offer.

518  **RIGHT TO CURE:** Seller (shall)(shall not) ~~STRIKE ONE~~ ("shall" if neither is stricken) have a right to cure the Defects. If  
519 Seller has the right to cure, Seller may satisfy this contingency by: (1) delivering written notice to Buyer within 10 days of  
520 Buyer's delivery of the Notice of Defects stating Seller's election to cure Defects, (2) curing the Defects in a good and  
521 workmanlike manner and (3) delivering to Buyer a written report detailing the work done within 3 days prior to closing. This  
522 Offer shall be null and void if Buyer makes timely delivery of the Notice of Defects and written inspection report(s) and: (1)  
523 Seller does not have a right to cure or (2) Seller has a right to cure but: (a) Seller delivers written notice that Seller will not cure  
524 or (b) Seller does not timely deliver the written notice of election to cure.

## Mixed Use (Light Purple)

### Purpose and Intent

The mixed use category refers to areas that combine retail, service and other commercial uses with office and/or residential use in the same building or on the same site. Mixed-use areas can create vibrant pedestrian-oriented urban environments by bringing complementary activities and public amenities together in one location at various scales. Examples of existing mixed-use characteristics are currently found in Menasha's downtown. Newly proposed mixed-use areas are intended to create similar higher density, pedestrian-friendly environments where the variety of uses enables people to live, work, play and shop in one place. There is also a possibility that these areas can become destinations for the city or even the region.

Mixed uses can be integrated vertically, with the upper floors used for office or residential and the ground floor for retail or service uses. They can also be integrated horizontally, with retail or service uses in the portion fronting the street with offices uses or residential behind. Mixed-use development can also be horizontally integrated when two or more structures are developed on one site.

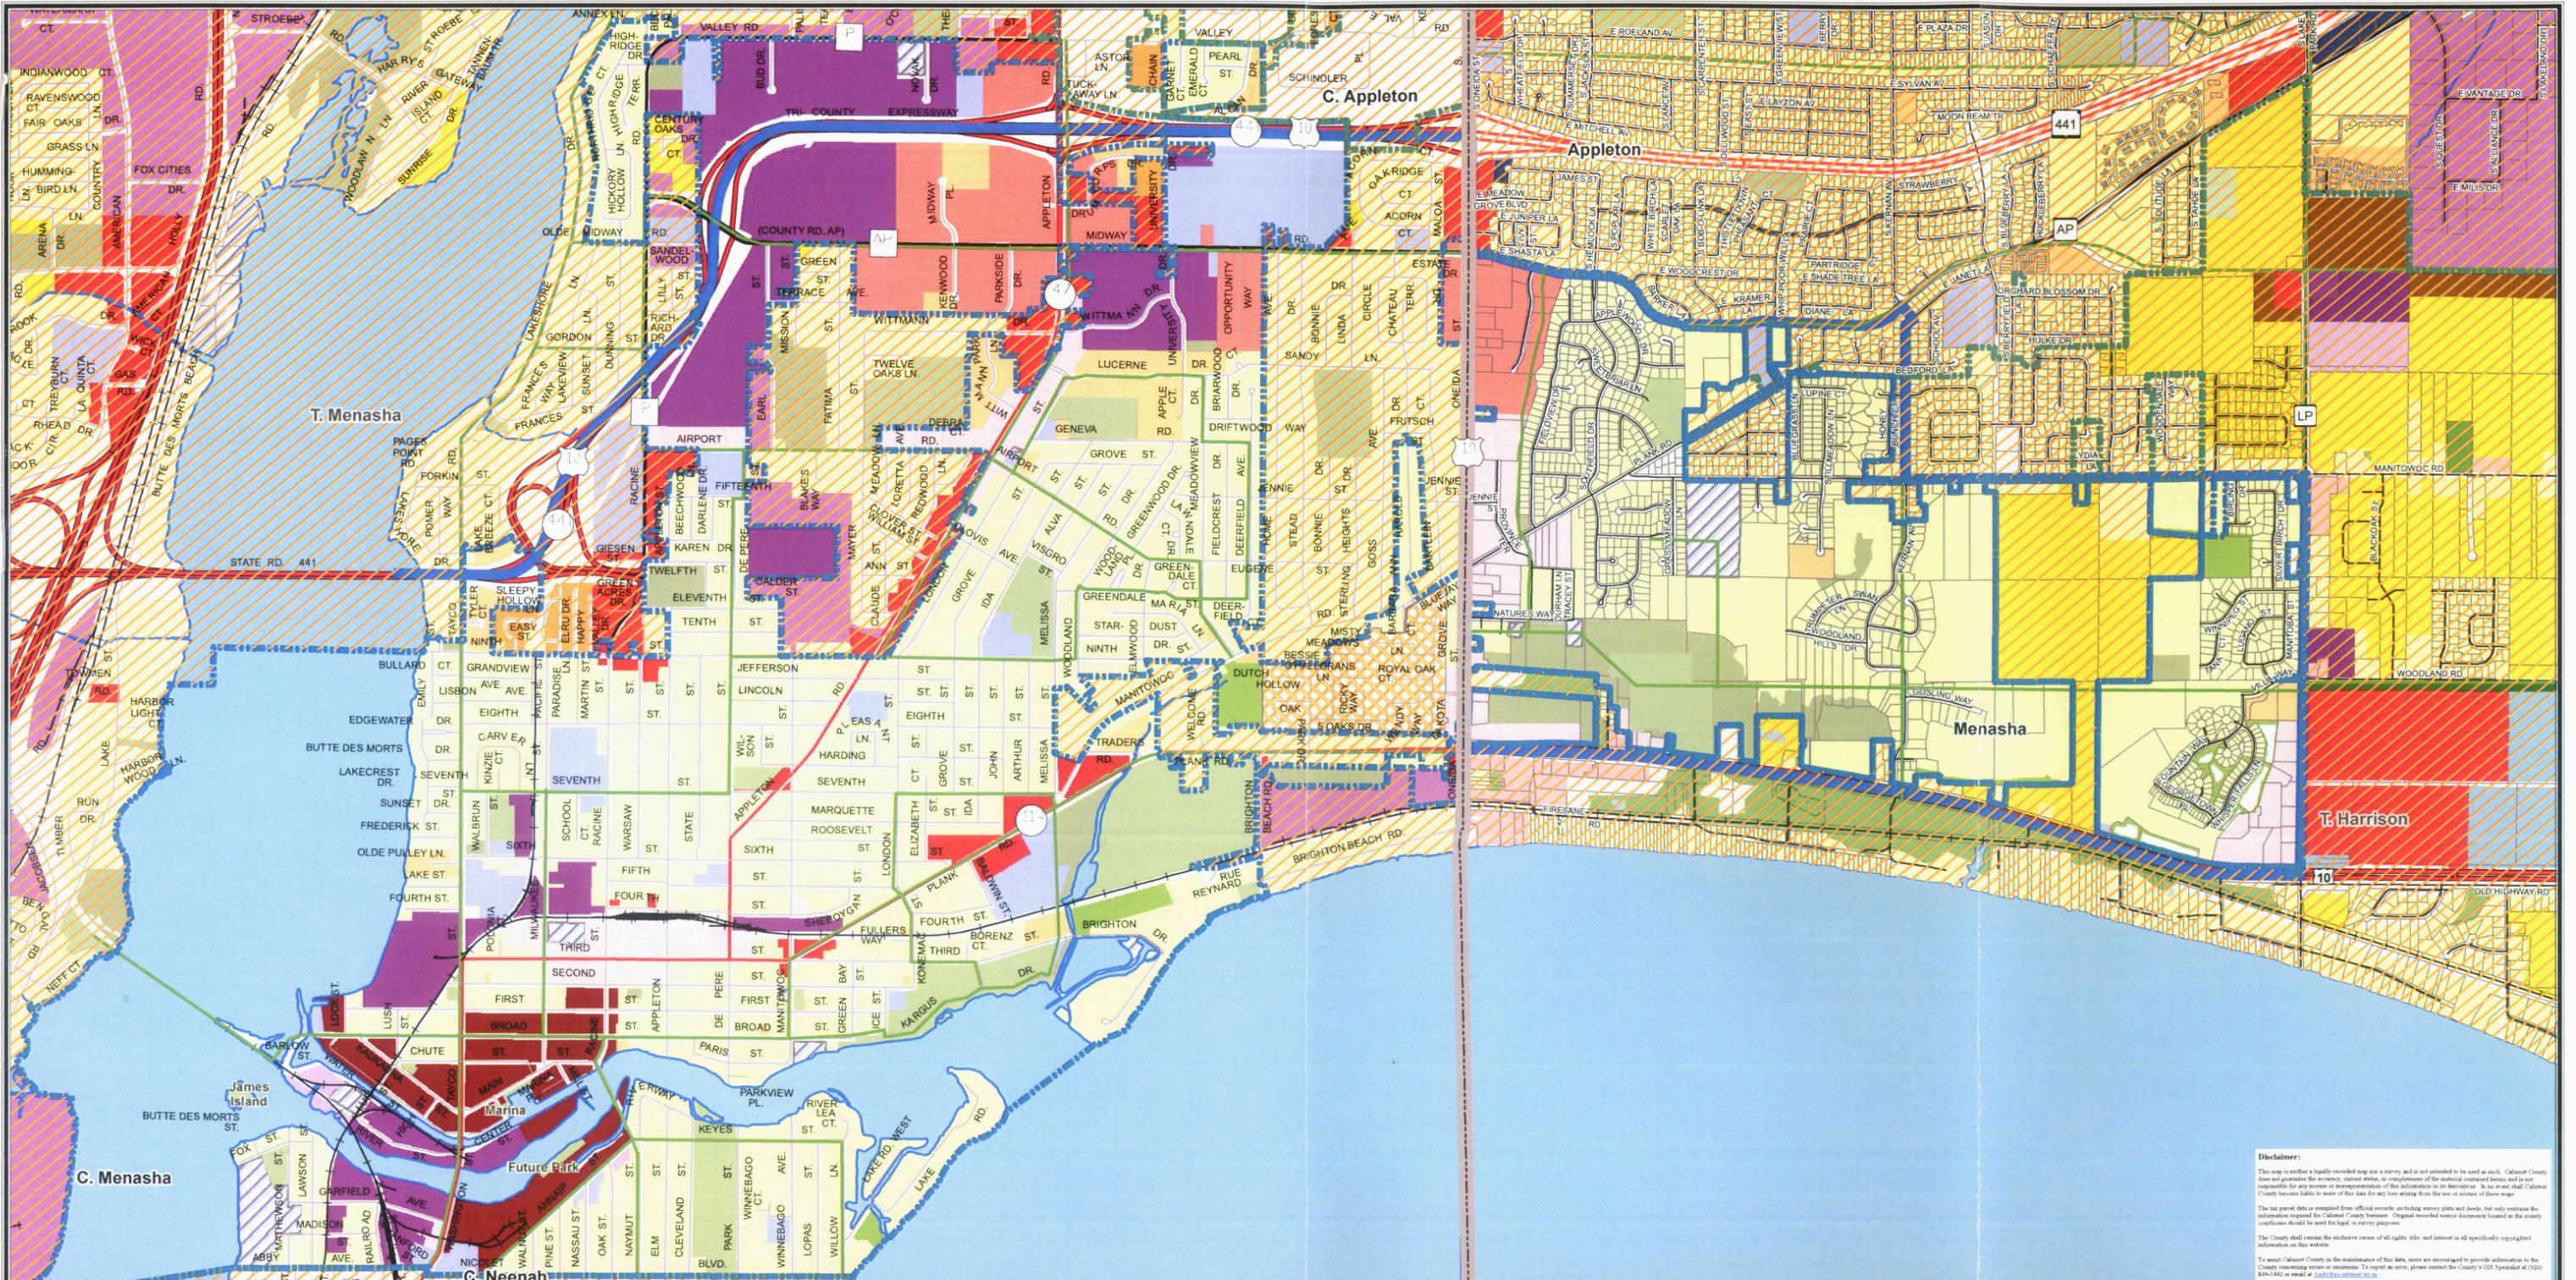

To support land use policies aimed at promoting more compact, sustainable development patterns, which can help reduce auto trips, increase connectivity, encourage walking and the use of transit, and also help expand housing choices near employment and activity centers, the Preferred Land Use Map sets aside several areas for two types of mixed use designation. These categories differ primarily in the scale and intensity of development encouraged in them, and should be implemented through zoning and development standards that encourage appropriate form and character.

- ♦ *Mixed Use Neighborhood Center.* This designation applies to smaller areas of mixed commercial use within existing and new neighborhoods. These areas are primarily adjacent to, or part of, larger residential neighborhoods. Neighborhood Center mixed use areas abut roadway corridors, or are located at key intersections. They may also function as gateways into the neighborhoods they serve.

These compact, and often walkable centers provide limited retail goods and services to a local customer base, while having minimal impact on the surrounding residential uses. They accommodate mixed-use development as well as mixed-use buildings.

Uses in these areas might include a corner store, small grocery store, coffee shops, hair salons, dry cleaners and other personal services, as well as small professional offices and upper story apartments. Neighborhood commercial areas may also include churches, schools, and small parks.

- 
- ♦ *Commercial Core Mixed Use Area.* This designation applies to downtown and near downtown Menasha, reflecting its local role as a destination for services, cultural and civic functions. This emphasizes the urban character and the mix and intensity of uses uniquely suited to this center of activity. The designation is intended to permit a true mix of uses (except industrial), with unique development standards tailored to the historic urban character of Downtown. The intent is to move this area towards becoming a center of activity both during the day and at night and during weekends by promoting a mix of commercial, entertainment, residential, and civic uses. Creative forms of housing are encouraged, such as attached homes, "lofts", and live-work units. To protect the historic character of Downtown, the city should ensure development and redevelopment is appropriately scaled. Preservation of existing historic buildings and sites is encouraged. Where there is an established building line, new development should maintain this line. Redevelopment on sites where the building line has not been followed provides an opportunity to restore street-line continuity by rebuilding to the line.
