Clerk
City of Menasha

Dear Deborah:

This is an application for the role of District 4 Alderman.

I am a long time resident of menasha, having lived in 3 districts in Menasha and currently a resident at 708 Appleton St. I have worked 35 years at River street plant with the majority of those years representing the people on insurance and union boards. I have been retired since 2009 and wish to become more involved.

I have worked with people on the state level, senators, assemblymen, and even lobbyists regarding insurance and pension for USW Local 2-0148. I helped with the sale at 9 center street which is now the marina. I enjoy working with people and finding a way for all parties to be successful.

Thank you for your consideration;

Arnie Collier

Dear Ms. Galeazzi:

Please accept the enclosed resume as my application for the open Alderman position for District 4. Although I was born and raised in Menasha, I had the opportunity to live and work in other areas of the country throughout my career at Kimberly-Clark. After moving back to Menasha four years ago, it has been exciting to watch all of the growth and change happening in the community. My husband and I both graduated from Menasha High School, and we now have children attending Buttes Des Morts Elementary. We have enjoyed watching the next generation of Bluejays experience all that the community has to offer.

I would love to see Menasha's growth and revitalization continue, and am committed to work towards that progress. My career at Kimberly-Clark has given me a great foundation for being able to make tough business decisions, while understanding the financial implications and risks associated with those decisions. Above all, my children and the youth in this community inspire me to want to make this a place they are proud to call home.

Thank you for your consideration.

Sincerely,

Tina Olszewski
