City of Menasha
Variance Application Questionnaire

Applicant: MICHAEL AUSTIN

Site Address: 121 RIVER STREET

Menasha Ordinance 13-1-53(d) provides that the Board of Appeals shall evaluate a variance request based on the foregoing criteria. Before granting such a request, the Board must find that all of the criteria enumerated apply to the variance requested. Please address each statement; use additional sheets if necessary.

Describe the hardship to the property owner that would result if the variance were not granted and the exceptional, extraordinary, or unusual circumstance or conditions applying to the lot or parcel, structure, use, or intended use that do not apply generally to other properties or uses in the same district:

UNABLE TO STORE VEHICLES, LAWN EQUIPMENT, CANOES, KAYAKS
FROM WEATHER, VANDALISM, AND POTENTIAL THEFT.

LOT HAS WATER ON TWO SIDES

HOUSE IS APPROXIMATELY SEVEN FEET FROM STREET ROW

HOUSE IS FIFTEEN FEET FROM CHANNEL ON THE EAST SIDE

HOUSE IS APPROXIMATELY THIRTY FIVE FEET FROM
RIVER ON SOUTH SIDE

THE HARDSHIP IS TRYING TO GET A GARAGE TO FIT
THAT WOULD HAVE PRACTICAL USE WITH CURRENT BUILDING
CODE SET BACK ON THIS LOT

Explain why the conditions upon which the petition for the variance is based are unique to the property and necessary for the preservation and enjoyment of substantial property rights possessed by other properties in the same district and same vicinity:

BECAUSE EAST AND ~~NOR~~ SOUTH SIDES OF PROPERTY ABUT
A WATER FILLED CHANNEL AND THE FOX RIVER THE
GARAGE NEEDS TO BE PLACED CLOSE TO THE STREET
RIGHT OF WAY TO THE NORTH. THE PROPERTY RIGHTS OF
THE NEIGHBOR TO THE WEST WILL BE PRESERVED AS THE
GARAGE WILL BE LOCATED SIX FEET FROM THE WEST
PROPERTY LINE.

Provide evidence demonstrating that the purpose of the variance is not based exclusively upon a desire to increase the value or income potential of the property:

GARAGE IS TO BE USED TO PROTECT OWNER AND TENANT
VEHICLES FROM WEATHER AND POTENTIAL VANDALISM ON
THIS VERY LIMITED TRAVELED STREET. THERE IS NO STORAGE

ROOM LOCATED IN THE HOME EXCEPT FOR CLOSET SPACE AND FRONT PORCH. BASEMENT CEILING HEIGHT IS GOING TO BE FOUR FEET SIX INCHES WHEN REMODELING IS FINISHED. BASEMENT ALSO UNSUITABLE FOR STORAGE DUE TO LEAKS AND DAMP CONDITIONS WITH HIGH LEVEL RIVER HEIGHT. USING ONE OF THE LOWER ROOMS FOR GARAGE SPACE REDUCES THE AMOUNT OF INCOME POTENTIAL

Describe how the granting of the variance will not be detrimental to the public welfare or injurious to the other property or improvements in the neighborhood in which the property is located:

LAWN CARE EQUIPMENT, CANDLES, KAYAKS WILL BE STORED INSIDE THE GARAGE REDUCING CLUTTER ON THE LAWN AND SHORELINE. THERE WILL BE GREENSPACE ON BOTH THE EAST AND WEST PROPERTY. THE PROPOSED GARAGE IS LESS THEN ALLOWED MAXIMUM SIZE FOR ATTACHED GARAGE FOR PROPERT THAT IS ZONED R-2. THE GARAGE IS DESIGNED TO FIT IN AESTHETICLY OF HOME AND ADJOINING PROPERTY OWNER

Explain why the proposed variance will not undermine the spirit and general or specific purposes of the zoning code:

BECAUSE THE NEIGHBOR HAS AN APPROXIMATELY 1500 SQ FOOT 2 STORY GARAGE LOCATED BEYOND THE RIGHT OF WAY THIS SITUATION AT 121 RIVER WOULD BE NO DIFFERENT OTHER THEN I AM ASKING TO BUILD ONE HALF OF THE GARAGE TO THE STREET RIGHT OF WAY. THE LOT IS UNIQUE IN SIZE AND PLACEMENT. USING THE PLACEMENT FOR PREVAILING SET BACK THE GARAGE WILL BE BEHIND THE SETBACK OF THE NEIGHBORS, IT WILL ONLY MINIMALLY CHANGE THE VIEW LOOKING AT IT FROM THE STREET SIDE

Please submit a site plan showing an accurate depiction of the property and any other relevant or required documents:

I certify that all information provided is to the best of my knowledge accurate and true.

Michael Austin
141 River Street
Menasha, WI 54952

Dear Mr. Austin:

Zoning procedures require issuing a denial of your building request in order to initiate variance procedures. This letter constitutes a formal denial of your request to build an attached garage within the required front and side yard setbacks at 121 River Street. Absent a variance, this action would constitute a violation of Sections 13-1-26(f)(1) and 13-1-26(f)(2) which state that the minimum front yard setback is 25 feet and that the minimum aggregate side yard setback is 16 feet, respectfully.

You have complied with our requirements of the zoning variance procedures and a public hearing will be scheduled before the Board of Appeals in the near future. The City Clerk will mail you a notice regarding the date, time and location of the meeting.

If you have any questions about the proceedings, please feel free to call.

Sincerely,

Gregory M. Keil
Community Development Director

C: City Attorney Jeff Brandt
City Clerk Deborah Galeazzi ✓

City of Menasha
Board of Appeals
Public Hearing

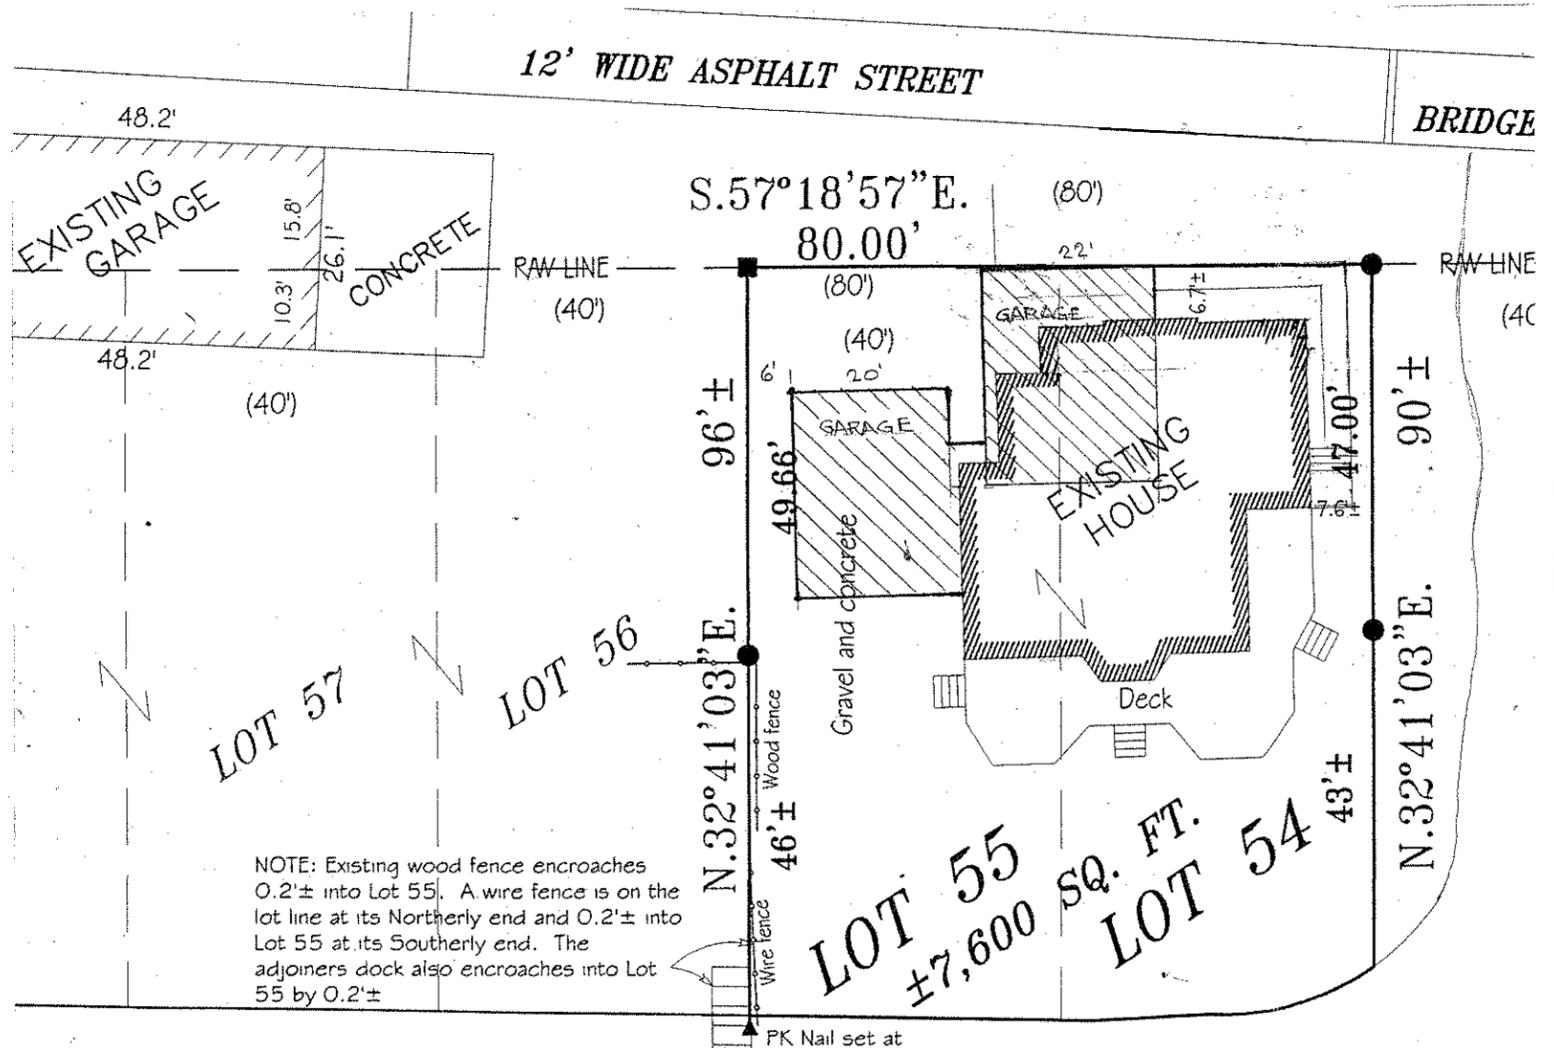

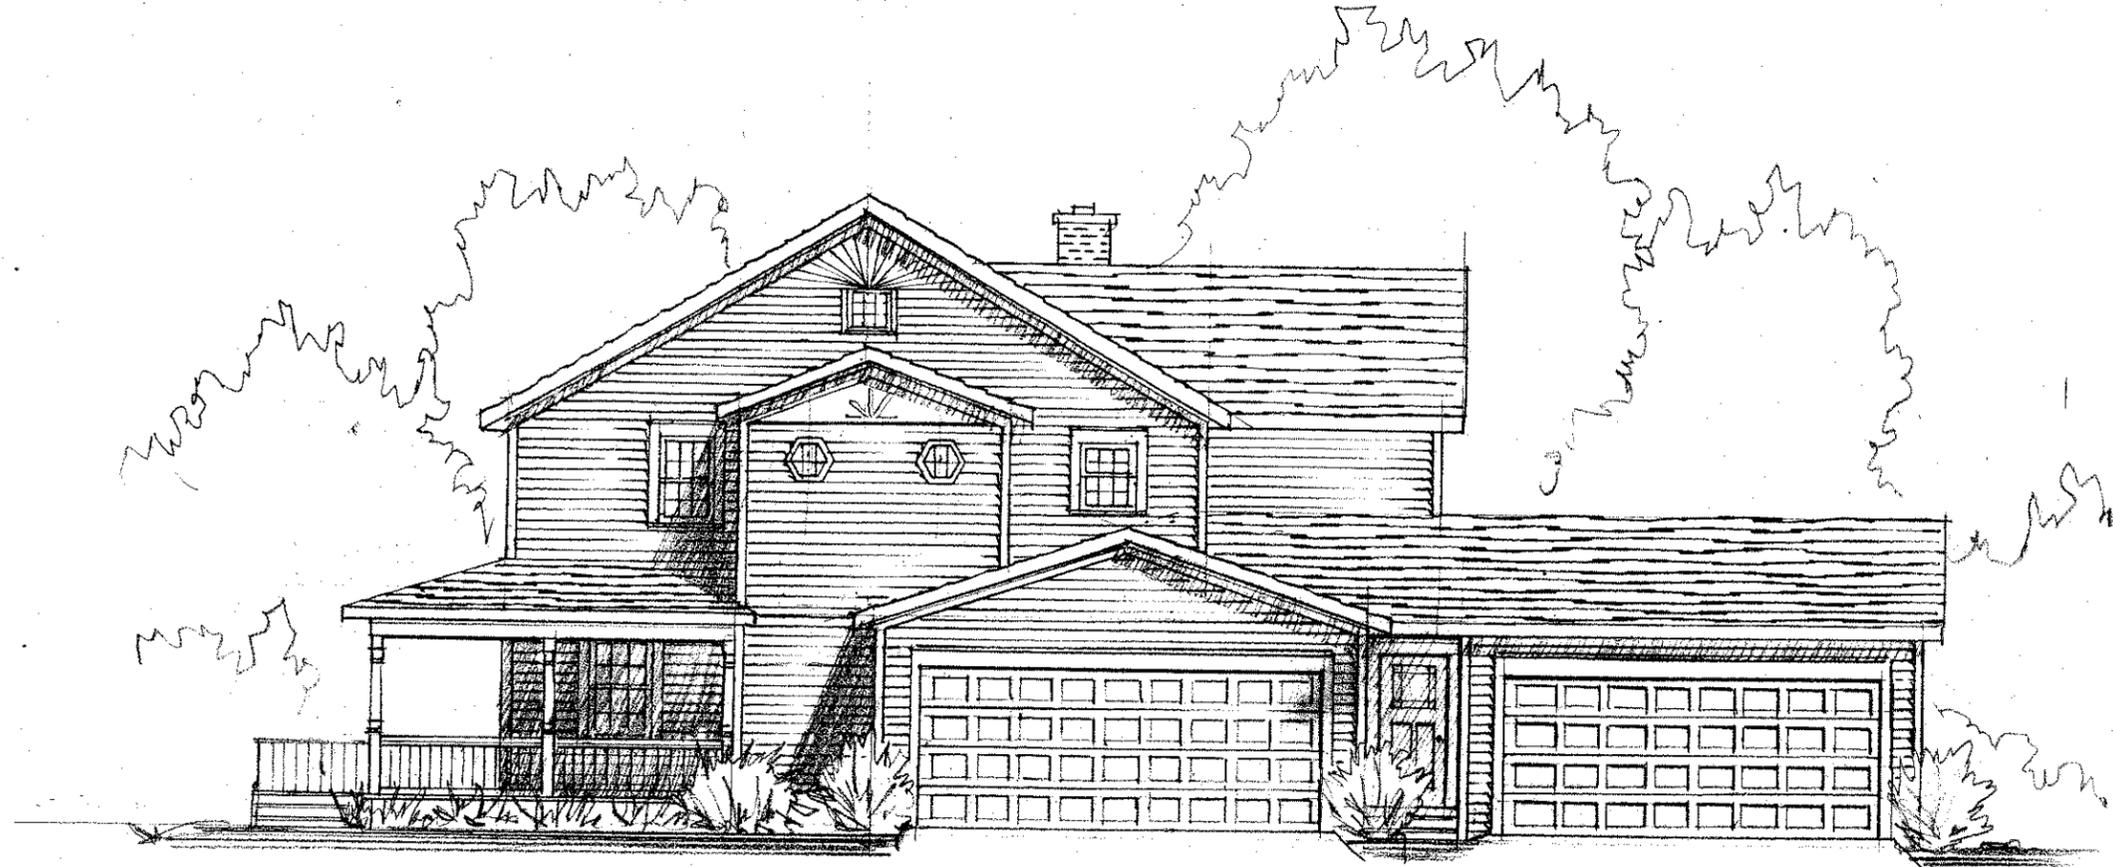

A Public Hearing will be held by the Board of Zoning Appeals on September 24, 2008 at 11:00 a.m. in the City Hall Council Chambers, 140 Main St., Menasha, to hear the appeal of Michael Austin, for the property at 121 River Street, Menasha, WI.

The applicant is requesting to construct an attached garage within the front and side yard setback at 121 River Street. Absent a variance, this action would constitute a violation of Sections 13-1-26(f)(1) and 13-1-26(f)(2) which state that the minimum front yard setback is 25 feet and that the minimum aggregate side yard setback is 16 feet, respectfully.

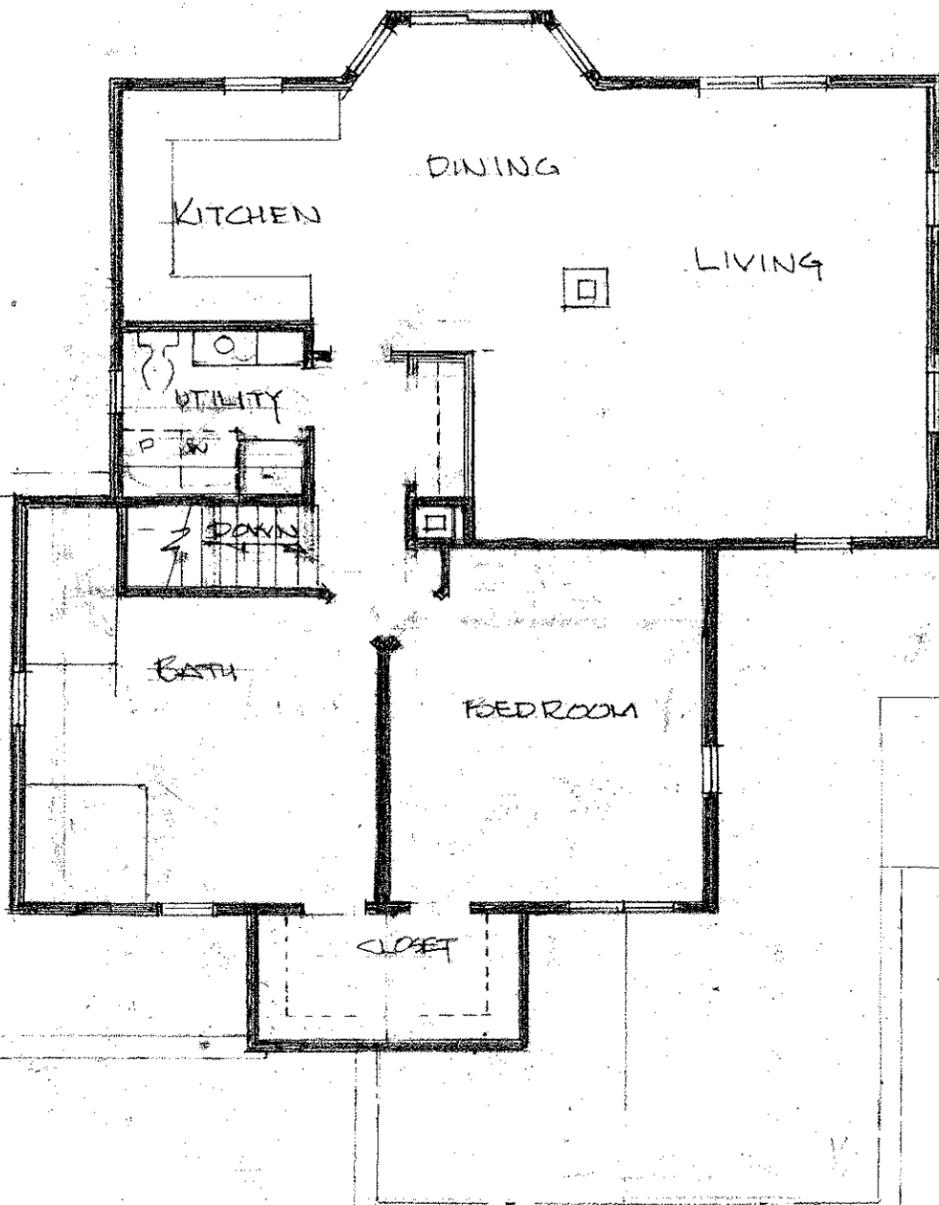

All interested persons objecting to or supporting this appeal are requested to be present. Written comments may be considered by the Board.

Deborah A. Galeazzi
City Clerk
