Executive Summary

TO: Menasha Citizens and Members of the Common Council
FROM: Mayor Don Merkes
DATE: 29 October 2014

SUBJECT: 2015 City of Menasha Budget

The annual budget reflects our community's values as it provides the resources to accomplish our goals as a city. This is where we express what is important to us and point the way to a solid future for Menasha. The 2015 budget is the result of countless hours of discussion, investigation, planning and collaboration among city employees at all levels. It represents our community's values by funding the facilities and services essential to making Menasha an attractive choice for businesses, residents and visitors.

2014 was a momentous year for the City of Menasha. Years of effort on the part of both the public and private sector have resulted in a significantly accelerated pace of change and growth. We are attracting new development, new businesses, and new sources of funding for projects that will increase our tax base and bring jobs and opportunities to our entire population. We have demonstrated our ability to achieve financial stability as our debt continues its steady decline, our reserves continue to grow, and we maintain our infrastructure while continuing to fund capital improvements. All this has been accomplished with a property tax levy that has not increased for what will be the fourth year in a row.

This budget also initiates a CIP (Capital Improvement Plan) process to support continued management of our debt and to prioritize capital improvements. We will pay down over \$2.8 million in debt in 2015 while improving miles of streets, supporting new development and parking in our downtown, and replacing essential public works equipment to enhance efficiency. We'll continue to support our award winning public library by replacing its 40-year old roof, and contribute to the renovation of our Senior Center. These investments will enhance our quality of life for years to come.

Our primary goal is to leverage our considerable assets to attract innovative and energetic people to live, work, and grow their businesses in Menasha. To that end, this budget considers what sets Menasha apart from our neighbors: our abundant waterfront and parkland. We'll center redevelopment and marketing efforts on these assets and continue to partner with grantors and the private sector on such projects as the new park on our east side, the river walk on the former Gilbert Mill property, youth recreation programming partnerships, and improvements at Koslo Field, the Trestle Trail and Clovis Grove tennis courts.

The health and safety of Menasha residents, visitors, and businesses is a core concern addressed in the budget through substantial investments in our Health Department, Police Department and Neenah Menasha Fire Rescue. Our Health Department will continue its partnership with the Menasha Joint School District to insure we have a population of students ready to learn while holding costs down; and provide health services that protect the public. Our police and fire rescue personnel will continue to

maintain the highest standards of professionalism through ongoing training and maintenance of quality equipment and services. In addition to emergency response, both departments engage in educating the public and school children on personal and public safety, and work tirelessly to keep us safe.

Late in 2014 the Menasha City Council endorsed a 'branding statement' that expresses who we are as a community. It reads as follows:

Menasha has a rich industrial history... a heritage we owe in part to our advantageous location on Lake Winnebago, the Fox River and Little Lake Butte des Morts. These bodies of water have attracted energetic and innovative people to the city since its founding, and will continue to do so in the future.

Today, as our relationship to the water expands to a recreational focus, we welcome residents and visitors alike to experience and enjoy Menasha's unique place on the water.

Menasha's abundance of well maintained public waterfront access provides everyone living and working here the opportunity to enjoy a wide array of natural beauty, relaxation, and water recreation.

As a result, our city can boast of offering one of the most uniquely vibrant, colorful and active lifestyles in the entire region.

In 2015, we'll apply this perspective to the marketing and promotion of our community as a destination for businesses looking to locate in the area, families looking for a home, and visitors seeking recreational opportunities. We'll complete the work on a new web site that was begun in 2014 to provide us with a public presence on par with other communities in the region as we compete for new projects that will help us grow in numbers as well as quality of life measures.

We owe it to ourselves to acknowledge the contributions of the people who have worked long and hard for the city: our department heads, employees, volunteers and elected officials. I am grateful to all of you. We've turned a page in Menasha. Now let's keep working together to write the next chapter.

Sincerely,

A handwritten signature in black ink, appearing to read 'D. Merkes', with a long horizontal flourish extending to the right.

Donald Merkes
Mayor, City of Menasha

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	General Fund	Office of the Mayor	Donald Merkes
	FUNCTION	BUDGET NUMBER	DATE
	General Government	100-0101-511	10/28/2014

RESPONSIBILITIES

The duties of the Mayor are prescribed in the Wisconsin State Statutes and Menasha Ordinance including presiding over meetings of the Common Council, serving on the Planning Commission, and serving on the Utility Commission. In addition, the Mayor's office coordinates operations of all city departments, develops and reviews the city budget, provides direction for the City's economic development and long range plans, participate in sale and purchase of property, interpret legislation, and communicating data regarding the community with elected officials including the members of the Common Council.

SERVICES PROVIDED

As the CEO of the City the Mayor manages day to day operations in conjunction with the department heads to provide effective public services, public safety, and recreational opportunities. In addition, the Mayor promotes the community acting as the representative at public events, meeting with citizens, speaking to business owners, and participating on boards and committees in the name of the City. Operations planning includes preparing the budget, CIP, and debt planning in conjunction with the Administrative Services Director. The Mayor's office also coordinates the Farm Fresh Market and Sustainability Board.

2014 ACCOMPLISHMENTS

1. Completion of CIP Plan
2. Completion of Debt Planning document as well as reduction of \$3,861,585 in debt
3. Representative for municipalities on Fox Cities Chamber board of directors
4. Economic Development improvements including: Oak Park Place, Third Street Market, Hotel Site, Fox Lodge, the Ponds, Lake Park Square.
5. Quality of life enhancements including: Gilbert Riverwalk, Boys and Girls Club of Menasha, Senior Center renovations, Removal of Army Reserve building at Jefferson Park, and Farm Fresh Market.

2015 OBJECTIVES

1. Continue financial planning efforts to reduce overall debt, improve cash reserve levels, and update policies.
2. Continue efforts to increase public waterfront access and improve facilities that provide for recreational access.
3. Ensure that the City's IT, street, utility, and green infrastructure, as well as buildings are maintained.

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME Valley Transit Subsidy	PREPARED BY Greg Keil
	FUNCTION	BUDGET NUMBER 100-0302-542	DATE 10/28/2014

RESPONSIBILITIES

Valley Transit exists to meet community mobility needs and enhance quality of life by providing options for efficient and reliable transportation.

SERVICES PROVIDED

Valley Transit runs two fixed route transit lines in the City of Menasha as well as Valley Transit II paratransit services and The Connector.

2014 ACCOMPLISHMENTS

Legislative Issues

Valley Transit faces significant funding challenges every year and has been able to find solutions to keep the system operating without service cuts or major increases in costs to the local funding partners. Valley Transit staff continues to look for a stable source of local funding to offset the swings in funding at the state and federal level.

Federal Funding– The current transportation appropriations bill (MAP 21) is scheduled to expire in September, and the Congressional Budget Office has projected that the trust fund that is used to pay for most infrastructure projects will run out of money as early as August. The House passed a bill that would fund the Highway Trust and Mass Transit funds through May, 2015 through an infusion of general fund money into the transportation funds. As of the end of June, 2014, the Senate had not acted on a transportation funding bill.

State Budget – State funding for transit operations was cut by 10% in 2012 and remains at that lower level. However, the state provided additional funding to offset some of the increases in ADA paratransit costs that transit systems were experiencing.

RTA – Valley Transit was unsuccessful in the efforts to get a Regional Transit Authority (RTA) bill for the Fox Cities passed in 2013 or the first half of 2014. Valley Transit will continue the effort when the legislature reconvenes in January, 2015.

Audits

Single Financial Audit

Valley Transit received no findings in the 2013 financial audit conducted in early 2014.

Federal Triennial Review

As part of their review, a Federal Transit Administration consultant reviewed 18 areas and found no deficiencies in 14 of the 18 areas. Three of the remaining deficiencies were corrected and closed by the time the final report was issued. Valley Transit was able to correct the final deficiency by the June 2, 2014 deadline set by the FTA.

Additional Federal Funds (5310)

“5310” funding provides assistance to programs serving the elderly and persons with disabilities. When the population of the Fox Valley reached 200,000 with the 2010 census, Valley Transit became a direct recipient of this funding. The grant allows 45% of the funds to go to fixed route providers, such as Valley Transit, for senior/disabled services in excess of ADA paratransit requirements and requires a minimum of 55% of the funds to be distributed to non-profit organizations that provide transportation services to senior and disabled populations. Valley Transit and the East Central Wisconsin Regional Planning Commission (ECWRPC) reached an agreement that designates Valley Transit as the recipient of 5310 funds and ECWRPC as the lead on the process to distribute

	FUNCTION	BUDGET NUMBER	DATE
		Valley Transit Subsidy	Greg Keil
		100-0302-542	10/28/2014

the 55% funds to non-profit organizations.

Strategic Plan

Valley Transit received a federal planning grant from Wisconsin DOT to conduct a rider survey and also to write a strategic plan for Valley Transit for the next 10 years. The rider survey was completed in the first half of 2014, giving updated information on rider preferences and trip patterns. The strategic planning effort has involved significant public input from business and community leaders in the 10 municipalities and three counties supporting Valley Transit. The expected completion of the 10 year strategic plan is October, 2014.

Ridership decreased early during 2014

Fixed route ridership decreased 7% in the first five months of 2014. Due to the extremely cold weather early this year, a number of businesses and schools were closed for several days, which resulted in a ridership decrease in January through March. Ridership appears to be rebounding with a 3% increase in June. Total paid rides (does not include transfers or free rides) has also suffered due to the decrease in ridership. Revenue in the first five months of 2014 was down 3.6%. The revenue decrease is not only due to the decrease in ridership, but also to a reduction of purchased passes.

ADA Paratransit and Connector Service

At the end of 2014 the service contract for ADA paratransit services and the Connector service will expire. Valley Transit will be conducting an RFP (request for proposal) process for these services with implementation of the new pricing in 2015. Because Valley Transit is exempt from State and Federal fuel taxes, Valley Transit purchased fuel for contracted services for two years in an effort to reduce fuel costs. While this program saved money, it has been administratively difficult to manage and we have found an alternate way to include fuel escalator clauses that reduces the risk to Valley Transit.

2015 OBJECTIVES

The 2015 budget includes a fare increase for fixed route service which usually causes a short-term reduction in ridership. The last fixed route fare increase was in 2009 that resulted in a 9% reduction in rides and an increase of 13% in fare revenue. Due to a decrease in ridership recorded for early 2014 and the budgeted fixed route fare increase for 2015, Valley Transit is predicting that ridership will decrease somewhat in 2015 when compared to 2014, but not as much as experienced in 2009. The budget includes an increase in fixed route single ride fare from the current \$1.80 to \$2.00. Adjustments will be made in the period passes and multiple ride passes with more favorable options in the multiple ride passes, hopefully promoting ridership.

As costs continue to rise, Valley Transit is tasked with finding equitable ways of distributing those costs. Because fares have not increased since 2009, it is reasonable to consider an increase in fares to offset some of the rising costs of providing the service.

Valley Transit will continue to focus on strengthening the partnership with advocacy groups in the Fox Cities and continue regular communication with Valley Transit stakeholders. Staff will continue to refine and improve the communication tools used to give potential riders information on how to use the system. As part of the effort to increase ridership, Valley Transit will be working on partnerships with area businesses to increase ridership by their employees.

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	FUNCTION	BUDGET NUMBER	DATE
		Valley Transit Subsidy	Greg Keil
		100-0302-542	10/28/2014

Valley Transit staff will continue to review operations to determine if there are ways to streamline or modify procedures to increase the effectiveness and efficiency of delivering transit services to the public.

Valley Transit will be working with a consultant to finalize the strategic plan. Changing demographics in the Fox Cities region, including a dramatic increase over the last ten years in the diversity of the area and an aging population, make it important for Valley Transit and its stakeholders to assess the effectiveness of the services it provides and plan for transit services and funding for those services for the next 10 years. The project includes significant input from a diverse group of stakeholders, including business and community leaders, customers of the services, employees and elected officials, with periodic review by a steering committee made up of representatives of stakeholder groups. The project focuses on determining the type of transit system the community wants and needs, how the desired services will be funded, how transit fits into the overall transportation system in the Fox Cities, and how the system can support economic development in the region.

	General Fund	Community Development	Greg Keil Kara Homan
	FUNCTION	BUDGET NUMBER	DATE
	Conservation and Devel	100-0304-562	10/8/2014

RESPONSIBILITIES

The Community Development Department is responsible for maintenance and growth of the property tax base and enhancement of the overall character of the community by ensuring orderly growth, promoting development and redevelopment, and maintaining and improving existing neighborhood quality.

This is accomplished through implementation of the recently adopted brand positioning statement and the *City of Menasha Year 2030 Comprehensive Plan*, land use planning, zoning administration, building code administration, redevelopment coordination, growth management, bike and pedestrian planning and implementation, economic development, business retention and recruitment, administration of housing and business loan programs, grants administration, historic preservation, TIF development and administration, and land records management. The department also serves in an advisory and coordinating capacity for public works projects, local and regional development policy, Plan Commission, Housing Authority, Board of Appeals, Landmarks Commission, Redevelopment Authority, TIF Joint Review Boards, and other planning and development organizations.

SERVICES PROVIDED

-Serves as the primary point of contact and coordinating entity for all community and economic development projects. This includes assisting citizens, appraisers, real estate agents, businesses, developers, lenders, and contractors in interpreting and complying with the zoning code, building code, sign ordinance, driveway ordinance, land division and other development related regulations and preparing property maps and reports. Staff also facilitates the development process from conception to completion by coordinating with developers to maintain compliance with city regulations throughout the process.

-Provides staff support for all meetings of the Plan Commission, Landmarks Commission, Board of Appeals, Redevelopment Authority, TIF Joint Review Boards, and Housing Authority.

-Provides grant writing and administration services for departmental, interdepartmental, and city-wide initiatives.

2014 ACCOMPLISHMENTS

Economic & Community Development:

- Coordination in TID #9, 10, 11 and 12.
- Advanced updated covenants for the Lake Park Villas Homeowners Association to the HOA Board for final approval.
- Facilitated Land Purchase Agreements with Cypress Homes & Realty and Mark Winter Homes to facilitate construction of spec homes in Lake Park Villas.
- Coordinated with the City Attorney and Mayor's Office pertaining to the sale of the former power plant to Simply Incredible Foods.
- Engaged and coordinated with Weidert Creative for Imaging/Branding project implementation; this included adoption of Brand Statement and development of Phase III (implementation).
- Sold lots 7, 8 and 9 in Lake Park Square to Community First Credit Union.
- Secured real estate services for former NMFR Station 36 site.
- Initiated proceedings for the RDA to acquire the former RR Donnelley properties for future redevelopment.
- Coordinated with developers to redevelop the former Menasha Hotel Site.

	General Fund	Community Developmen	Greg Keil Kara Homan
	FUNCTION	BUDGET NUMBER	DATE
	Conservation and Devel	100-0304-562	10/8/2014

- Facilitated the preparation and implementation of a development agreement with Foodmen 2, LLC for the Third Street Market.
- Coordinated city approvals of several major development sites, including but not limited to the Boys & Girls Club, Menasha High School, and Oak Park Place.
- Marketed city and RDA owned properties.
- Participated with the Fox Cities Regional Partnership in business retention visits.
- Facilitated discussions with WDNR, WEDC and WOW Logistics pertaining to their expansion plans and acquisition of neighboring contaminated property.
- Coordinated with WisDOT on the USH 441 Reconstruction project and Racine St. Bridge Reconstruction planning.
- Completed two annexations (Gemelli & Burroughs) and two Right of Way Vacations (Georgetown Pl and Canal St).
- Managed the City's Housing Program, administered by Community Housing Coordinators.
- Managed the Building Inspector functions carried out by Independent Inspections Limited.
- Coordinated with the Public Works Department (Engineering Division) to administer the City's Driveway Installation Ordinance and Policy. To date, over 76 driveway permits have been issued.
- Prepared site improvement agreements and financial guarantees for development sites.
- Processed building alterations and façade improvement grant/loan applications related to projects in the Upper Main Street Historical District.
- Assisted building owners/brokers with prospects for downtown office buildings.
- Administered development agreements with the Ponds of Menasha, Cypress Homes, PJC Group LLC (Gilbert Site) and Gilbert Development Company, LLC.

Grant Writing and Administration:

- In coordination with the Health Department & Senior Center, continue administering a Wisconsin Dept. of Administration CDBG-PF (Public Facilities) grant (awarded Spring 2014) for the Senior Center Renovation/Expansion and assisted in implementation activities; construction anticipated Fall 2014.
- Successfully applied for and received \$250,000 Community Development Investment grant for the Third Street Market redevelopment project.
- Assisted the Parks Department in planning for the WI DNR Stewardship Grant funded Gilbert Redevelopment Site shoreline park. Bids were released in fall of 2014.

Zoning, Land Records, and Socioeconomic Data:

- Zoning Administration, including sign regulations, rezonings, project/site plan review, special use permits, variance requests, and zoning enforcement.
- Creation of computerized maps for various city departments upon request.
- Assigned and re-assigned addresses for numerous lots throughout the city.
- Coordinated land records information with Associated Appraisal.

Stormwater Coordination:

- Coordinated MS4 reporting for WDNR stormwater management permit.
- In coordination with the Engineering Department, administration of Erosion Control and Stormwater Management ordinances through site plan and project review, and long term maintenance agreements.
- Participated in regional stormwater planning and management.

	FUNCTION	BUDGET NUMBER	DATE
	Conservation and Devel	100-0304-562	10/8/2014

-Prepared and distributed stormwater education materials to residents and businesses in compliance with NR 151 and 252.
 -Prepared stormwater maintenance agreements and financial guarantees for development sites.
 -Installed constructed wetlands and rain garden at NMRF 36 in partnership with the station crew, NEWSC, and Calumet County.
 -Participated in NEWSC-Council (Northeast WI Stormwater Coalition) and NEWSC General Public Education Committee.

- 2015 OBJECTIVES**
1. Work to increase the city's tax base by continuing to focus on projects and initiatives that spur on development and redevelopment, including the conservation and rehabilitation of the housing stock.
 2. Develop & implement phase III of the branding/marketing effort to implement the adopted brand statement.
 3. Maintain and improve a customer friendly environment for all citizens, appraisers, real estate professionals, businesses, developers, lenders, and contractors when interacting with the department.
 4. Advance projects that help implement the goals, objectives, and policies of the *City of Menasha Year 2030 Comprehensive Plan*.
 5. Provide staff support and guidance to a Plan Commission, Landmarks Commission, Board of Appeals, Redevelopment Authority, Housing Authority, and TIF Joint Review Boards (Winnebago & Calumet County).

MAJOR CHANGES FROM 2014 BUDGET

Engineering expenditures related to the Gilbert Site have been reallocated from the Community Development Budget into TID #11 to ensure that the costs are recouped and not a burden on the general fund.

	FUNCTION	BUDGET NUMBER	DATE
	General Government	100-0402-513	10/28/2014

RESPONSIBILITIES

The City-appointed Assessor has the statutory duty to determine values and prepare, sign and defend the annual property assessment roll. Since 2007, all real and personal property accounts have been administered by Associated Appraisal Consultants, Inc. The company also values mobile homes, preparing the monthly Parking Permit fee bill and performing the duties of the Real Property Lister and thereby reducing the tax levy from Winnebago and Calumet counties.

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	General Fund	Common Council	Peggy Steeno
	FUNCTION	BUDGET NUMBER	DATE
	General Government	100-0405-513	10/28/2014

RESPONSIBILITIES

Cities are governed by a common council consisting of alderperson and the mayor. A common council serves as the legislative arm of city government. It decides policy matters. The common council enacts ordinances, resolutions and motions; approves and amends the annual budget; levies taxes; approves the paying of claims made against the city; grants licenses issued by the city; and enters into contracts on behalf of the city. The council also appoints or confirms the appointments of certain city officers.

SERVICES PROVIDED

The city council acts as the liaison between residents in the community and city departments helping direct people to the right location to resolve their concern. The common council enacts ordinances and policies to protect the well being of the businesses and residents of the community. The common council sets priorities and service levels by passing a budget and levying a tax to pay for such services.

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	FUNCTION	BUDGET NUMBER	DATE
		Fire Department	Al Auxier
		100-0501-522	10/28/2014

RESPONSIBILITIES

The mission statement for Neenah-Menasha Fire Rescue ("NMFR") is **"One Department-Fully Involved"**. Through our mission statement NMFR organizes and provides a variety of life safety and property preservation services to the public. Our mission is realized by offering high-quality, professional service, in fire suppression, specialized rescue operations and emergency medical services to the citizens of our communities. Furthermore, the Department takes a proactive role in safety by providing resources for public fire education, fire prevention, fire investigations and hazardous materials mitigation. Life safety, incident stabilization and property preservation are key elements in the quality of life the citizens of our two communities have come to expect. NMFR shall strive to continue its goal of providing this in a fiscally responsible manner.

NMFR remains committed to providing a fire safe environment within our communities by conducting required fire prevention code inspections for public buildings. A group of dedicated firefighters continues to provide a highly developed and successful public education program for people of all ages in our communities. NMFR has taken a proactive stance and has set goals to make our communities a safer place to live and work.

SERVICES PROVIDED

NMFR's proactive role in public safety encompasses the following: fire company inspections of commercial and industrial properties for loss prevention; Underground and aboveground petroleum fuel storage tank code enforcement; fire loss investigation; juvenile fire setter intervention programming; public fire safety education programming; fire suppression; specialized rescue operations for both land and water related incidents; and, pre-hospital emergency medical care. Terrorism and weapons of mass destruction training and industrial safety exercises/tours have become common, allowing us to increase our presence in industrial facilities forging a better working relationship with safety coordinators and maintenance personnel. Increased communication and involvement with the Community Development Department with respect to plan review and code compliance has improved tremendously under the Assistant Chief/Fire Marshall. We are also working more closely with insurance companies and fire protection organizations to make sure that fire detection and suppression equipment in buildings is properly installed, maintained and tested in accordance with national, state, and local codes and referenced standards.

Neenah-Menasha Fire Rescue Dive Team Trust Fund:

In 2011, a need was identified by our Department to establish a dive team. The intent of this program was to increase our ability to make open water and ice rescue calls. In the past, we were dispatched for a call and if it entailed any kind of a dive rescue we would have to call for help from the Winnebago County Sheriff's Department and/or the Oshkosh Fire Department. While we waited for their response, we were unable to help people who were in this situation. We have seen an increase in calls over the past 10 years due to the increasing popularity of people utilizing Lake Winnebago and Little Lake Butte Des Morts. Due to budget constraints of our communities, we sought donations from the public to raise money for training and necessary equipment. Before the fundraising efforts started, we received support from both of our communities and the Winnebago County Sheriff's Department.

Fundraising efforts in 2011 and 2012 allowed us to begin training dive team members later in 2012. The NMFR Dive Team went operational in December of 2012 and now serves the citizens and visitors to our community. The fundraising goal of \$90,000 that was established in 2011 was reached in early 2013 with the assistance of Bruce Peterson's family and friends. NMFR continues to raise funds for the dive team through

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	FUNCTION	BUDGET NUMBER	DATE
		Fire Department	Al Auxier
		100-0501-522	10/28/2014

donations and grants so that no tax dollars are used to continue operation of the team. The 14-member team continues to work and train so that they will be able to meet the needs of any water/ice related emergency. Equipment remains a number one priority. Dive team members have built drying and wash racks to save NMFR thousands of dollars by not having to purchase this equipment from a manufacturer.

In 2013, a formal budget was created and approved for our dive team. Initially all the expenses were covered by funds raised through various events. The funds that were raised continued to fund the program through 2014 but are very limited at this time. Although fund raising continues and will continue in the future there is not enough money to truly cover all the funds that are needed in 2015. There is a need for NMFR to start allocating funds by distributing operations funds to training and equipment. NMFR's operating budget does show costs associated with NMFR dive team expenses.

2014 ACCOMPLISHMENTS

Neenah-Menasha Fire Rescue responded to 450 calls for assistance involving fire related situations through July 31, 2014. In addition, in 2014 we have been summoned 963 times to assist in medically related situations. In 2013, NMFR responded to a total of 2,283 calls for assistance, with 1,589 of those calls for medical assistance and 694 for fire related situations. Through July 31, 2014, there have been 2,155 fire inspections conducted with a total of 2,412 code violations discovered. In 2013, NMFR conducted 3,150 fire inspections and found 4,493 code violations. Public education efforts, stressing home and personal fire safety messages, continue to reach the citizens of Neenah and Menasha. Fire Inspectors in the Fox Valley continue to meet on a regular basis to share information and address common code problems. Uniformity between jurisdictions in code interpretation and enforcement is the goal of the group.

The public education program for dorm/apartment fire safety was presented to the entire senior high school student population at Neenah and Menasha High Schools. Our program for senior citizens on how to deal with many different emergency situations was presented to many of the senior groups within our communities upon their request. The Public Education Team expanded their program to include fifth grade students. The "Then and Now Program" gives them a better understanding of the importance of fire safety. Due to many requirements that CBRF facilities have for education of their employees, our request for fire prevention education for these facilities has started slowly increasing. Local businesses within both communities are becoming more pro-active on different educational topics and have begun reaching out to our Department for help to train their employees.

In 2011, we performed 555 public education events. In 2012, we performed 572 public education events. In 2013, we performed 823 public education events. The first seven months of 2014, we completed 337 public education events. We are working hard to accommodate every request, but these increased requests have created a need for increased funds for public education materials.

NMFR staff has been working with the newly created NEWSAP (North East Wisconsin Smoke Alarm Program). This is a regional effort with three other area fire departments working together on fire prevention. In mid-2012, NEWSAP wrote, and was awarded, a regional smoke detector grant. This grant has continued through 2014 and as part of the award of this grant, we must maintain the program. The regional group will continue seeking donations for funding to sustain this program without having to utilize budgeted funds. However, there are no guarantees that we will be awarded donations and may have to use budgeted funds to sustain the program.

In 2014, NMFR completed their second year of automatic aid with Appleton Fire Department. Call volumes between the two departments continue

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME Fire Department	PREPARED BY Al Auxier
	FUNCTION	BUDGET NUMBER 100-0501-522	DATE 10/28/2014

to be very close for responses to each community. This service continues to complement both departments and continues to provide the high-quality service expected by the communities and the citizens we serve.

2015 OBJECTIVES

During 2014, NMFR continued to experience FMLA and work comp injuries that have had a significant impact on our overtime budget. Short shift staffing demands for overtime have limited the amount of overtime monies available to allow Fire Inspectors and Fire Investigators to attend training on off-duty time. The overtime budget needs to be increased to make sure that appropriate training for all specialized needs within NMFR are met. NMFR staff will continue to monitor this and make every effort to stay within our budget while providing needed training to accomplish our goals.

NMFR will continue to become more familiar with our growing communities' neighborhoods, streets and buildings. All Fire Officers will remain involved in training the firefighters they lead. The Assistant Chief/Training/Emergency Management Officer will continue to focus on all training aspects, including specialty programming for rescue to assist other departments within our two jurisdictions, such as the public works employees, park employees, water employees, etc. He will also continue to work with the two communities to attain and maintain training for NIMS compliance. He will continue to work with the driver/engineer positions for consistent training with existing drivers and move-ups. The Department will continue its participation with Fox Valley Technical College in providing a learning environment for the Fire Intern Program. Standard Operating Guidelines and Procedures will continue to evolve and be updated.

NMFR's Public Education Team will continue its fire safety efforts in the grade schools during Fire Prevention Week and also in the high schools for graduating seniors for when they go off to college. Both cities have seen an increase in assisted living facilities, and we are seeing an increasing amount of requests to talk to senior citizens about fire safety and also from local businesses.

NMFR will continue the automatic aid agreement with Appleton Fire Department and maintain the reduced response times that benefit the needs of the citizens and businesses in Menasha and Appleton.

Dive team fundraising and training will continue throughout the year. Our goal will be to have enough funds to purchase desired equipment to supplement and maintain the high quality of service and training that the NMFR Dive Team currently meets. However, we cannot continue to rely on donated monies to fund this operation and we will need to start looking at funding training and future replacement purchases with our operating budget.

In 2014, the implementation to complete building inspections has led to a more paperless records management system of our fire inspections for all inspectable properties within Neenah and Menasha. Building owners and managers like the fact that they can receive inspection reports via email. Training efforts in the firehouse software program continue so our personnel can meet the growing communications needs of our society. Attending FHETS, the Firehouse Training Conference, is a key component to meet NMFR's demanding communication and record keeping needs.

The F.C.C. mandate to change narrow banding of all V.H.F. channels to 12.5 MHz bandwidth in Winnebago County was completed in early 2014. These frequencies are in the range that NMFR, and all other agencies in Winnebago County, have used for many years as their emergency channels. Moving to narrow band channels has provided more capacity for the growing volume of voice and data communications by the public

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	FUNCTION	BUDGET NUMBER	DATE
		Fire Department	Al Auxier
		100-0501-522	10/28/2014

service agencies in the County and throughout the State. There have been several issues noted with the new system but Motorola, the system manufacturer, and Baycom Inc., the system installer, have worked to resolve the problems. Personnel at NMFR are constantly working with the system and record communications problems so they can be presented to Motorola and Baycom.

In 2015, NMFR's portion of the new telephone system that was purchased by the City of Neenah will need to be funded. The payment for our portion of the system is scheduled to be paid out over a seven-year period that started in 2013.

With Fox Valley Technical College ("FVTC") leaving the Station 31 facility and moving to their new building, there will be a need for NMFR to assume responsibility of maintaining the training site on Tullar Road. We are currently working with FVTC on what will need to be done and what training props and equipment will be left behind. There is a need to figure out what will be done with the classrooms, offices and out buildings once the premise is vacated. NMFR staff will continue to work with the other departments in the City of Neenah to determine the needs of the city.

The purchase of the new Pierce 105' Quint ladder truck requires money to be budgeted to provide NMFR personnel with the information needed to meet the job performance requirements (JPRs) in National Fire Protection Association (NFPA) 1002, *Standard for Fire Apparatus Driver/Operator Professional Qualifications, Chapter 4*. The course curriculum is taken from the *International Fire Service Training Association (IFSTA) Aerial Apparatus Driver/Operator Handbook, 2nd Edition*. This course provides third-party IFSAC accredited certification according to the NFPA 1002 Standard. This certification also provides documentation that the individual has demonstrated a high level of proficiency established through national consensus standards.

MAJOR CHANGES FROM 2014 BUDGET

Salaries (0101): Increase of \$128,540. This increase is the result of the contractual agreement with Local 275 for firefighter salary increases.

Overtime (0104): Increase of \$29,500 was reduced to \$15,900 by Mayor Kaufert. The major portion of the overtime budget will go to covering short shift overtime caused by FMLA and sick leave absences. A significant portion of this increase will be used to cover costs of training for the Fire Inspectors and Arson Investigators. NMFR has not been able to send these individuals the last couple of years and additional overtime money would allow NMFR to send personnel for needed training to maintain knowledge and skills.

License Renewal (0118): Decrease of \$8,200. The primary expense of First Responder licensing is a bi-annual requirement and NMFR personnel renewed their licenses in 2014.

Maintenance of Radio Equipment (0215): Increase of \$3,000. The warranties for the new radios NMFR has will run out in mid-2015 and the additional money will be used to implement a service agreement that will protect and allow for firmware upgrades and tune/autotest in 2016.

Outside Services (0236): Increase of \$6,500. Increase is associated with the Website CMS/Redesign to be compatible with the new City of Neenah website.

Maintenance of Software (0218): Increase of \$8,000. Per information from Neenah IS Department, NMFR will be responsible for upgrades and associated costs. Increase also includes the purchase of 10 Microsoft Word Office Licenses.

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME Fire Department	PREPARED BY Al Auxier
	FUNCTION	BUDGET NUMBER 100-0501-522	DATE 10/28/2014

Professional Services (0238): Increase of \$15,000. The major portion of the increase is due to the requirement that firefighters need a chest x-ray every five years. Because firefighters use SCBA, and we do not always know what chemicals they are exposed to during incidents, they have to have a chest x-ray every five years as part of the physical. The chest x-rays are due in 2015.

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	General Fund	Emergency Government	Al Auxier
	FUNCTION	BUDGET NUMBER	DATE
	Public Safety	100-0502-522	10/28/2014

RESPONSIBILITIES

This program was started in 1984 to establish an Emergency Operations Center ("EOC") and to provide centralized guidance in case of a disaster in the City. Currently the Neenah Police Department Community Room is utilized as our first option for the EOC in the City of Neenah. Since NMFR is responsible for managing the EOC's in both Neenah and Menasha it was decided that each of the EOC's would serve as back up for each other and serve as the secondary backup site for each community. The EOC for Neenah is the Community Room at the Neenah Police Department and the EOC for Menasha is in the basement of the Public Services Building that house both the Menasha Police Department and NMFR. A third site identified is the Municipal Services Building on Tullar Road. We also have the ability to request Winnebago County Emergency Management to open an EOC at the Sheriff's Department and/or bring their mobile command post to the emergency scene.

For the last couple of months there has been discussions on moving Neenah's EOC to the soon to be vacated Fox Valley Technical College site on Tullar Road.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

2015 OBJECTIVES

There will be a planned EOC exercise for May or April of 2015, along with continued research as to the possible relocation of the EOC should the City of Neenah decide to occupy the vacated FVTC portion of the fire station on Breezewood Lane and Tullar Road.

	General Fund	Public Library	Vicki Lenz
	FUNCTION	BUDGET NUMBER	DATE
	Culture and Recreation	100-0601-551	10/28/2014

RESPONSIBILITIES

The Elisha D. Smith Public Library's mission is to be a dynamic and responsive community center for our diverse population, offering equal access to materials, programming, services, and entertainment to inspire and enrich while supporting learning for all ages.

SERVICES PROVIDED

The library provides direct access to all materials held at public libraries in Winnebago, Green Lake, Marquette, and Waushara Counties. It also provides digital databases, reference service, entertainment, story times, book discussions, fax service, public computers with Internet access, wireless Internet access, printing and photocopying, computer classes, art displays, access to Wisconsin's digital library, information from and about local organizations, weekly and monthly newsletters, notary service, exam proctoring, travel brochures, consumer financial information, tax forms, voter registration, mobile printing, and meeting rooms. Programs are offered on crafts, books and authors, children's interests, local history, and current issues.

2014 ACCOMPLISHMENTS

During 2014, the library held winter, fall and summer reading programs to promote literacy and participated in the popular Fox Cities Communities Read of R. J. Palacio's book Wonder and the Fox Cities Book Festival. A new utilities space was constructed outside the front of the building, and most of the walls inside the library were painted. Service to our patrons expanded with the ability to accept credit and debit cards, to print from any device wirelessly, and to use the public computers for extended amounts of time. The library received grants to digitize local oral histories (LSTA grant), promote literacy in our schools (Jeweler's Mutual), and purchase literacy materials (King's Daughters). Two Food for Fines drives helped out our local food pantry. And the board's new Fundraising Committee developed a plan to allow everyone in our community to support their library, implementing a can collection, organizing a fall chili cook-off fundraiser, and planning family events.

2015 OBJECTIVES

The library will continue to work on expanding access to technology for members of our community, collaborating with our schools to promote the love of reading, and providing a common ground for people of all walks of life to discuss issues, learn, and grow. The library's strategic plan calls for increasing the number of physical and digital items checked out, and the library board has stressed the importance of this objective.

MAJOR CHANGES FROM 2014 BUDGET

This budget has a significantly higher request for funds for the library's book budget, which is used to purchase books, other media, and digital materials. The budget for those funds was at its highest in 2009 and eventually decreased to only 75% of that 2009 amount. The library board's emphasis for 2015 is to increase the book budget by \$25,000 to stem the tide of decreasing checkouts from the library. That increase does not bring the book budget up to the level it was at in 2009, but it is a start. The budget also includes a capital improvement request for replacement of the roof section of the library built in 1969 which is leaking, light tubes/sensors for electricity savings, a carpet replacement in the library's main meeting room, and elevator modifications to alleviate recurring needs for repair.

RESPONSIBILITIES

To ensure that residents have sufficient parks, trails, open space and related facilities to enjoy all the benefits provided by a quality park system.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

- Hired new Arborist/Caretaker and Facility Tech/Electrician
- Bid out Gilbert Site Trail project, began raising funds for this important project
- Repaired two tennis courts at Clovis Grove Park
- Established partnership with Menasha Rotary to develop east side park, began some improvements to the site
- Removed buildings at Army Reserve site

2015 OBJECTIVES

- Begin working with Menasha Rotary on plan to purchase/install play equipment at new east side park
- Partner with Town P & R on repairs to Trestle Trail and 10 year anniversary
- Begin Jefferson Park/Neighborhood Master Plan process
- Oversee/administer Gilbert site Trail project
- Where possible, implement the City's new brand statement promoting our waterfront amenities
- Continue tennis rehabilitation at Clovis Grove Park (2 courts)
- Partner with Clovis PTO to install poured in place surfacing (PTO to pay for materials)
- Seek neighborhood input and Park Board direction regarding what to do with Winz Park

	General Fund	Swimming Pool	Brian Tungate
	FUNCTION	BUDGET NUMBER	DATE
	Culture and Recreation	100-0704-552	10/3/2014

RESPONSIBILITIES
Provide a safe, affordable aquatic facility for residents to enjoy in the summer.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

- Provided swim lessons to 393 children (compared to 397 in 2013)
- Sold 119 family passes, 86 individual passes and 48 limited use passes
- Served over 500 residents with pool passes
- Cool June temperatures contributed to lower attendance (15,409)
- Plans in place to install new boiler in late 2014 or early 2015
- Held very popular movie night in August
- Water saving measures made at kids' fountain

2015 OBJECTIVES

- Seek approval to earmark cost savings from boiler purchase to slide maintenance
- Install ADA accessible stairs
- Begin planning for a new or rehabilitated pool as part of the Jefferson Park/Neighborhood Master Plan

	FUNCTION Conservation and Devel	BUDGET NUMBER 100-0706-561	DATE 10/6/2014

RESPONSIBILITIES
Enhance and maintain the City's valued urban forestry.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

- Recognized by National Arbor Day Foundation as a Tree City, USA for the 31st consecutive year. Also received 3rd Growth Award.
- Continued to remove some ash trees in poor condition.
- Terrace tree planting program conducted in Districts 3 & 4.
- Collaborated with UW-Fox Valley on Tree Campus, USA designation and Tree-Line Designation with Menasha Utilities.
- Hired new arborist, cost savings realized for contracted tree trimming

2015 OBJECTIVES

- Pursue annual Tree City, USA designation
- Continue carrying out Emerald Ash Borer management plan.
- Continue residential terrace tree planting program in Districts 1 & 2
- Continue park replacement tree planting in anticipation of eventual loss of all ash trees (approximately 125 trees (terrace and park) by park staff annually.
- Continue collaborations with UW-Fox Valley and Menasha Utilities

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND General Fund	BUDGET NAME Police Department	PREPARED BY Tim Styka
	FUNCTION Public Safety	BUDGET NUMBER 100-0801-521	DATE 10/28/2014

RESPONSIBILITIES

The responsibilities of the police department are directed by our mission statement to be a "model of modern police services built upon a strong partnership with the community using respect, creativity and technology to find solutions and improve the quality of life and safety for all." At the core of our mission is a strong level of trust with the community which is based upon open communication and respect for those we serve.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

We have continued our efforts in communicating with the community. We have hosted additional Coffee with the Cops Programs; reached over 2800 followers on Facebook (600 more than last year); published annual report for the first time in a decade.

Implementation of the new computer dispatching system

Executed a first ever mutual aid agreement for police response throughout the Fox Valley

Created a sex offender verification team to ensure compliance of registrants

Completed sending all Communication Technicians to customer service training

Continued efforts to recruit, hire and train officers to fill our remaining open positions

Worked with the VCR Program to have volunteers respond to domestic abuse crimes to provide the victims needed assistance at their time of need

Implemented an online briefing program which allows for officers to access, add and update briefing materials at a computer or in the building or in the patrol cars

Rolled out an online reporting program which allows for citizens to report minor issues via the Internet

Maintain all officers State required certification by providing the appropriate training courses

Developed, trained and published new guidelines for electronic evidence

Continued department-wide education on the concepts of Procedural Justice

2015 OBJECTIVES

We will continue to identify opportunities to further strengthen our relationship with the community. Our funding allows for the repair and replacement of equipment, provide adequate training for new employees (as well as veteran employees) and to maintain our facility. We will also be working to identify solutions to deal with the increasing issues with building space and develop options for a long term solutions. We will be working on strengthening our relationship with landlords to communicate when there are issues with tenants, which will help the neighborhood by keeping the peace and help the landlords by keeping up the value of their properties. We will be working with Engineering and Community Development to develop solutions to the issue of traffic crashes in the Racine St. Corridor while creating a safer more appealing gateway into and through the City.

	FUNCTION	BUDGET NUMBER	DATE
	Public Safety	Crossing Guard Patrol 100-0802-521	Tim Styka 10/28/2014

RESPONSIBILITIES
 Crossing Guards are responsible for the safety of pedestrians as they go to and from school. They are positioned in areas near the schools which have a high volume of traffic or are at a location which large numbers of pedestrians cross which necessitate the need for an official to help with the street crossing process.

SERVICES PROVIDED
 Assist pedestrians crossing the street in the area of the schools.

2014 ACCOMPLISHMENTS
 Safely crossed hundreds of children and adults in the community.

2015 OBJECTIVES
 Maintain the crossing guard program at the same level of service as in 2014.

MAJOR CHANGES FROM 2014 BUDGET
 None.

RESPONSIBILITIES

This program monitors the accuracy of gas pumps, scanners, different types of scales used in the business community, measuring and timing devices (such as laundromat clothes dryers), and other measuring devices used by various business establishments in Menasha.

SERVICES PROVIDED

Services mandated by state statute for every municipality with a population over 7500.

2014 ACCOMPLISHMENTS

355 devices licensed and inspected.
Maintain MOU with City of De Pere for use of cart for gas pump testing.

2015 OBJECTIVES

Accuracy of all weights and measures devices in the city for the protection of the consumer as well as the business owner.
Orientation of new public health director to program.

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	General Fund	Health Department	Nancy McKenney
	FUNCTION	BUDGET NUMBER	DATE
	Health and Human Servi	100-0903-531	10/28/2014

RESPONSIBILITIES

1. Communicable Disease Control—this includes follow-up of reportable communicable diseases as well as providing monthly immunization clinics with state provided vaccines
2. Public Health Nursing Services—this includes telephone contacts, office visits, home visits on health issues for all ages. 95% of the contacts are under-insured or un-insured and have no medical providers. Examples of contacts include elderly visits to assess for a wide range of problems and monitor health conditions in-home that are not covered by any insurance and are usually short term such as medication set-up and instruction; maternal/child health visits usually per the request of the medical provider for a wide variety of concerns such as failure to thrive, poor weight gain etc. Working with the families in the home saves dollars by preventing unnecessary hospitalizations and child neglect and abuse. These families are either on Medicaid which doesn't cover visits or they are underinsured. Menasha has one of the highest low income populations in Winnebago County at 34%. Referral to other community agencies is another example of nursing services provided. An example of this would be a family member calling with a concern about an aging parent or a resident calling who needs medical attention and has no insurance and would be unable to pay for a visit to a provider. Referral calls such as these take time to determine what is exactly the problem, and who in the community might best assist with it, if the health department staff is unable to do so.
3. Maintaining the medical equipment list in the homes of residents for the Menasha Utilities. As medical information is exchanged and HIPPA protected, the public health director maintains the list for the utilities so they know who would be at risk if there was no power to that resident's home.
4. School Health Services—the health department has a strong working relationship with the Menasha School District and provides all of the school health services. These services include student health screenings such as vision, hearing, dental and scoliosis; developing individual health plans for students with medical needs (these numbers are increasing especially among those students with diabetes, asthma, ADHD, feeding tubes and medications needing to be given at school); individual health conferences with students and staff (the adolescent student who is pregnant or the staff person who has been asked to have a medical condition monitored by the school nurse); monitoring illnesses in the school setting to determine if there is a disease occurring in the community such as influenza; referring parents to appropriate resources in the community; providing classroom education on infection control, communicable diseases such as sexually transmitted diseases, growth and development, and staff education on emergency medications, etc. And the bloodborne pathogen standard as required by law.
5. Completion of a community health needs assessment, developing a community health improvement plan, and implementation of that plan.
6. Maintenance of a volunteer registry for all city emergency situations
7. Participate in safe child passenger seat checks on a monthly basis and by appointment when requested (and try to find a car seat for a resident who is required to have one and doesn't have the funds to purchase one)

SERVICES PROVIDED

Communicable disease control.
Development of a community health improvement plan.
Home visits as needed for any resident birth and older
Health consultation, referral and assistance to community services when needed or requested
Maintenance of a list of residents with medical equipment in their homes
Case management when needed for individuals with chronic health conditions
School health services in Menasha schools
Case management for high risk pregnancies
Immunization clinics
Annual flu shot clinics
Health education to community groups when requested

2014 ACCOMPLISHMENTS

1. Continue Medicaid billing for vaccine administration and other billable services.
2. Annual volunteer training completed with participating volunteers reviewing mass clinic protocol.
3. Certified 88 city and school district employees in CPR/First Aid
4. Began implementation of a community health improvement plan
5. Oriented 2 new public health nurses to the department

2015 OPERATIONS BUDGET**

FUND General Fund	BUDGET NAME Health Department	PREPARED BY Nancy McKenney
FUNCTION Health and Human Servi	BUDGET NUMBER 100-0903-531	DATE 10/28/2014

- 6. Participated in monthly car seat checks at community car seat events
- 7. Continued with annual flu shot clinic at BDM elementary school
- 8. Completed required communicable disease follow-ups (2014 data not available yet)
- 9. Case managed 1 active tuberculosis case including directly observing daily medication administration, identification of case contacts with follow-up.
- 10. Maintained Level 3 Health Department status with the State of Wisconsin.

2015 OBJECTIVES

- 1. Complete a community needs assessment.
- 2. Monitor for additional grant funding
- 3. Continue to participate with the N-M United Way dental clinic board to assist with dental access for those children needing services but have no access to dental care
- 4. Increase utilization of the city's website as a communication tool for health issues of importance to the community
- 5. Orientation of new public health director
- 6. Maintain health services to the community with current staffing

MAJOR CHANGES FROM 2014 BUDGET

Increase in mileage to reflect additional mileage for weekend coverage for management of active TB case.

RESPONSIBILITIES

To maintain a center where anyone 55 years and older, may engage in social, educational, and recreational activities; and where individuals may receive or be directed to counseling services and information on available health, housing, financial, and other personal services. To attract through publicity and personal contact, all individuals 55 years and older to increase awareness of the activities and services offered at the senior center.

The senior center is operated by the N-M YMCA under a collaborative agreement with the city.

SERVICES PROVIDED

Social and physical activities for all senior citizens 55 years and older
Provide information and referral for senior citizen services upon request

Senior Center available for rent upon request

2014 ACCOMPLISHMENTS

2013 total visits: 17,450
2014 through September total visits: 13,254

Community Development Block Grant funding obtained for renovation project

2015 OBJECTIVES

Continue collaborative partnership with the N-M YMCA as operations agent for the center to enhance program offerings and maintain existing programs
Assess the impact on the Senior Center after renovation completed
Orient the new public health director to Senior Center Operations

Begin renovation project with a projected completion by 12-31-14.

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	General Fund	Municipal Buildings	Mark Radtke Adam Alix
	FUNCTION	BUDGET NUMBER	DATE
	General Government	100-1001-514	10/15/2014

RESPONSIBILITIES
The funds in this account provide for the housekeeping services, maintenance, repair and operation of City Hall.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS
Finished with the replacement of City Hall's air conditioning components and replaced the back door complete with an approved exit device.

2015 OBJECTIVES
Continue trying to maintain aging facilities as cost effectively as possible, incorporating energy efficiencies where possible. Included in this budget will be the replacement of the roof, addition of a building pressure relief fan and several security enhancements.

NOTE: The following improvements are listed because they are either previously identified or near future needs. We are not requesting them for the 2015 Budget, but want to inform the Council of the future needs.

Elevator Modernization (\$145,000)
Boiler (\$56,000)
Air Handler (\$30,000)
Generator Upgrade (\$26,000)
Tuck Point Front of City Hall (\$5,000)
Council Chambers Voting System (\$8,000)

MAJOR CHANGES FROM 2014 BUDGET
Recent reorganization lowered the FTE for supervision of the housekeeping and maintenance of the facility.

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	General Fund	Engineering/Public Work	Mark Radtke
	FUNCTION	BUDGET NUMBER	DATE
	Public Works	100-1002-541	10/8/2014

RESPONSIBILITIES

The Engineering Department is responsible for the management of public works improvement projects within the City, including streets, bridges, sewers, buildings, et. al. Staff duties include responsibility for planning, design work, surveying, drafting, mapping, construction administration, traffic analysis, grant procurement, utility coordination, record keeping and response to citizens' requests and questions.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

Provided design, surveying, staking and inspection for all public works construction projects. Continued management of sanitary sewer improvement and industrial monitoring programs. Administered traffic engineering program.

Provided all engineering services for paving of Harold Drive, First addition to Southfield streets, London Street, Emily Street, Ninth Street, Lakecrest Drive, Sunset Drive, Parkview Place and De Pere Street. Continued management of sanitary sewer industrial monitoring program. Administered storm water regulation program, including erosion and sediment control, illicit discharge and post-construction management. Provided in house traffic engineering services. Completed 5-year Capital Improvement Program as it relates to future infrastructure needs. Administered TMDL Storm Water Management Planning Grant. Successfully applied for STP-Urban Grant for Broad Street reconstruction project.

2015 OBJECTIVES

Continue with sanitary sewer I/I removal program. Perform all tasks for implementing 2015 capital projects. Coordinate TMDL Storm Water Management Planning Grant, Third Street Bridge consultant design and Broad Street consultant selection process.

MAJOR CHANGES FROM 2014 BUDGET

T.I.D. #12 to support 5% of wages/salary. Also 15% of wages directed to Streets budget (100-1003-541.10-01)

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	General Fund	Repl of Streets/Alleys	Mark Radtke Adam Alix
	FUNCTION	BUDGET NUMBER	DATE
	Public Works	100-1003-541	10/8/2014

RESPONSIBILITIES
This budget accounts for the maintenance and reconstruction of streets and roads within the City. Preventive maintenance through timely pavement repair, crack filling, etc., is key for containment of future costs in this account. Prudent scheduling of needed street improvements is essential for controlling future budgets.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

Through public bid, the following streets were improved: Harold Drive, First Addition to Southfield Subdivision streets, London Street, Emily Street, Ninth Street, Lakecrest Drive, Sunset Drive, Parkview Place and De Pere Street.

2015 OBJECTIVES

Implement the street projects included in the Capital Improvement Program. Continue the preventive maintenance efforts with pavement crack sealing and chip seal operations.

MAJOR CHANGES FROM 2014 BUDGET

Our street pavement condition ratings have been decreasing due to underfunding in past years. It should be an objective to increase the capital budget to maintain the present pavement condition rating.

**CITY OF MENASHA
2015 OPERATIONS BUDGET**

FUND General Fund	BUDGET NAME Removal of Snow & Ice	PREPARED BY Mark Radtke Adam Alix
FUNCTION Public Works	BUDGET NUMBER 100-1006-541	DATE 10/28/2014

RESPONSIBILITIES

This account represents the total cost of snow removal and ice control on City streets and parking lots. Costs include labor, equipment operation and materials, such as salt and chips. The average seasonal snowfall for our area is 45 inches. Service responsibilities area to maintain streets and sidewalks in good traveling condition, according to established policy.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

The 2013 – 2014 season experienced 69.5" of measurable snow.

2015 OBJECTIVES

Continue providing quality snow and ice control and removal service, including anti-icing operations which will prevent the formation of ice on streets when properly performed. Try to better utilize our inventory of road salt and continue to look at environmentally friendly alternatives to road salt.

MAJOR CHANGES FROM 2014 BUDGET

Due to high demand road salt prices have increased by 14%.

RESPONSIBILITIES
A non-levy fund established with fees collected from residential developers. Funds are to be used for parks and recreation land acquisition and development.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

- Negotiated favorable armory demolition agreement with US Army

2015 OBJECTIVES

- Earmark funds for these 3 projects. Exact amounts TBD.
 - \$100,000 play equipment for new east side park. To be purchased and installed in cooperation with Menasha Rotary
 - \$25,000 possible funding needed to complete City match of DNR grant for Gilbert site. Sponsorship/fundraising campaign has begun.
 - \$20,000 city portion of funds for necessary Koslo Park field rehabilitation
- Expectation is the School District and field user group will make a financial contribution to the project which addresses much needed infield and backstop issues. Estimated total cost at \$55,000 to \$60,000.

2015 OPERATIONS BUDGET**

FUND Street Equipment Fund	BUDGET NAME Recycling, Solid Waste	PREPARED BY Mark Radtke Adam Alix
FUNCTION Public Works	BUDGET NUMBER 266-1027-543	DATE 10/28/2014

RESPONSIBILITIES

This budget reflects costs associated with the collection and processing of all residential recycling goods.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

2015 OBJECTIVES

Increase the level of service to include additional curbside collections.

MAJOR CHANGES FROM 2014 BUDGET

Increasing the curbside collections from monthly(12) to eighteen (18) curbside collections in a calendar year. Anticipated increase in volume with new materials planned to be accepted at the Material Recovery Facility.

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	Sewage Fund	San Sewer Maint/Const	Mark Radtke Adam Alix
	FUNCTION	BUDGET NUMBER	DATE
	Public Works	601-1020-543	10/8/2014

RESPONSIBILITIES

This budget provides for the design, construction, reconstruction, maintenance, and repair of the sanitary sewer system. It includes such work as reconstruction of existing mains, cleaning and flushing of sewer mains, inspection and repair of lift stations, maintenance to the system, engineering design, field surveys and compliance monitoring of industries.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

Televised sewer mains and portions of interceptor to assess pipe condition prior to construction.

2015 OBJECTIVES

Continue concentrated I/I removal projects and Sewer System Evaluation Survey (SSES) in Phase 4 area of the City (Doty Island). Continue industrial monitoring program to ensure equitable charges for all City sewer users. Pursue agreement with the City of Neenah regarding mutual discharge into each other's system. Explore sanitary lateral improvement program in conjunction with street improvement projects.

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND Storm Water Utility	BUDGET NAME Street Clean/Flush	PREPARED BY Mark Radtke Adam Alix
	FUNCTION Public Works	BUDGET NUMBER 625-1005-541	DATE 10/8/2014

RESPONSIBILITIES

This account includes the cost of materials, labor, and equipment to sweep and clean City streets on a regular basis through the Spring, Summer, and Fall. Residential streets are swept once per month, main City routes are swept once per week, and the sweeper is available upon request or as necessary for emergencies.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

2015 OBJECTIVES

Continue current service level.

MAJOR CHANGES FROM 2014 BUDGET

No substantial changes.

**CITY OF MENASHA
2015 OPERATIONS BUDGET**

FUND Storm Water Utility	BUDGET NAME Storm Sewers & Drains	PREPARED BY Mark Radtke Adam Alix
FUNCTION Public Works	BUDGET NUMBER 625-1010-541	DATE 10/8/2014

RESPONSIBILITIES

The Storm Sewer Account reflects costs involved in the design, planning, maintenance and construction of storm sewer systems throughout the City. Funds are used to remedy drainage/flooding problems, install sewers prior to street reconstruction, and construct storm sewers and storm water management facilities in conjunction with new development or regulatory compliance.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

Accomplished established goals in City's WPDES permit. Initiated TMDL Storm Water Management Plan.

2015 OBJECTIVES

Develop list of potential sites for future storm water management facility in compliance with NR216 and Lower Fox River Total Maximum Daily Load (TMDL) requirements.

**CITY OF MENASHA
2015 OPERATIONS BUDGET**

FUND City Garage Fund	BUDGET NAME City Garage	PREPARED BY Mark Radtke Adam Alix
FUNCTION Public Works	BUDGET NUMBER 731-1022-541	DATE 10/28/2014

RESPONSIBILITIES

Budgeted funds in this account represent costs associated with the management, operation, maintenance, and repair of the Public Works Facility complex, as well as expenses for parts, tires, fuel, internal service and outside repairs for motorized equipment.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

2015 OBJECTIVES

MAJOR CHANGES FROM 2014 BUDGET

Increased parts and tires costs associated with currently providing vehicle/equipment maintenance for the Board of Education and Menasha Utilities fleet. Reduction in salaries associated with revised split in Administrative Assistant's salary.

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	General Fund	IT Department	Peggy Steeno
	FUNCTION	BUDGET NUMBER	DATE
	General Government	743-0403-513	10/28/2014

RESPONSIBILITIES

Administrating and monitoring current Information Technology resources for the City; including all data, e-mail, the e-mail archiver, storage area network, databases, PCs, laptops, servers, switches, routers, the firewall, virtual private networking devices, displays, printers, printer toner, fax machines, copiers, I-Pads, phone system, phones, cell phones, smart phones, wireless access points, wireless modems, cellular modems, cabling, camera systems, cameras, digital video recording, user profiles, server policies, access rights, back-ups, training of Microsoft Office Suite, maintenance contracts, the City's website, and PC's.

Works with departments to recommend, determine, and provide the most efficient use of the technology available that will enhance their workflow.

Handles all IT Support needs throughout the City Buildings and for City staff,

Completes long-term planning in regard to infrastructure and technology, and

Maintains some 'in-house' applications that have been created and are being used.

SERVICES PROVIDED

2014 ACCOMPLISHMENTS

Created and implemented a staffing/resource plan for 2014 - approved by IT Steering Committee and Administration Committee,

Implemented a new storage solution to replace a failed one in the beginning of 2014,

Researched and implemented server consolidations to remove servers from to City's network,

Implemented patching on City PC's and servers to ensure that they are kept current in regard to security and functionality,

Implemented wireless access throughout City Hall, the Public Protection Facility, the Pool, the Senior Center, and the Health Department,

Replace 10 PC's and will replace approximately 25 additional PC's in Q4 2014 and potentially Q1 2015,

Completed RFQ process for renovating the City's Website (currently in the process of selecting the vendor and kicking off the project),

Updated the City's network map/diagram,

Implemented Anti-Virus on City PC's and servers,

Upgrading and implementing programs as needed/requested by all departments,

Meet with the IT Steering Committee regularly, and

Brought IT support requests to current and are keeping up on outstanding tickets.

CITY OF MENASHA 2015 OPERATIONS BUDGET	FUND	BUDGET NAME	PREPARED BY
	General Fund	IT Department	Peggy Steeno
	FUNCTION	BUDGET NUMBER	DATE
	General Government	743-0403-513	10/28/2014

2015 OBJECTIVES

Replacing two network servers for performance (consolidations), security, and reliability,

Improve the ventilation in the server room to ensure proper functioning of the equipment housed in that room,

Implement a Citywide parcel management system to assist with (1) customer service, (2) code enforcement, (3) permitting, (4) zoning, (5) asset management, and (6) property & facility management.

Complete the renovation of the website,

Complete and begin utilizing a five year technology replacement plan,

Complete the ongoing maintenance schedule to ensure that all necessary tasks are completed on a regular basis, and

Maintain systems and assist end user with IT support needs.

MAJOR CHANGES FROM 2014 BUDGET

Did not backfill the IT Network Manager Position - instead are using a business partner to assist with those needs, and

Focusing on the network infrastructure to ensure reliability and security,

			Water <input checked="" type="checkbox"/>
			Other
Is Project part of & funded by TIF: <u>No</u>		If so, which TIF: _____	
PASER Rating (if Road Project): _____		Assessable: <u>Yes</u>	
Project Description / Location / Details:			
The property in question is located south of Manitowoc Road and east of Kernan Avenue. The parcel number is 7-00800-00 and owned by the Ribble Revocable Living Trust. Expected costs would be facilities necessary to the development of the properties into residential lots. The zoning district for this parcel is R1 Single Family Residence District. The parcel will most likely be divided into 12 lots of approximately 15,000ft ² each. This is based on other lots in the near vicinity.			
Project Purpose / Justification-Why Needed/What are the Benefits?:			
In the long-run, this project would increase the tax base for the City of Menasha. In addition, the project would be a nice addition to the Kernan neighborhood by providing homes for Menasha Residents.			
Estimated Total Project Amount: <u>\$148,882.00</u>		Year(s) Proposed: <u>FY2015</u>

Is Project part of & funded by TIF: <u>No</u>		If so, which TIF: _____	
PASER Rating (if Road Project): _____		Assessable: <u>Yes</u>	
Project Description / Location / Details:			
<u>The potential North Woodland Development encompasses one large property to the north of Woodcrest Heights Drive. Project expenses would include improvements for the development of approximately 30 lots with areas of about 20,000ft² each. This projection is based on sizes of existant parcels adjoining Woodcrest Heights Drive and the Woodland Heights neighborhood. The property is currently owned by Woodland Developments, LLC and is part of the R1 Single Family Residence District.</u>			
Project Purpose / Justification-Why Needed/What are the Benefits?:			
<u>If developed, this project would bring substantial new high end residential growth to the City of Menasha. The North Woodland Development would increase Menasha's tax base significantly, while contributing to the completion of the Woodland Hills area development at large.</u>

Category:			
Street Improvements	<input checked="" type="checkbox"/>	Storm Water	<input checked="" type="checkbox"/>
		Sanitary Sewer	<input checked="" type="checkbox"/>
		Water	<input checked="" type="checkbox"/>
Sidewalk Improvements		Park Improvements	
		Property Improvements	
		Other	
Is Project part of & funded by TIF: <u>Yes</u>		If so, which TIF: <u>TID 9</u>	
PASER Rating (if Road Project): _____		Assessable: <u>Yes</u>	
Project Description / Location / Details:			
This potential development pertains to properties located adjacent to the south end of Grassy Meadow Lane. Project expenses would include sufficient facilities for the development of approximately 15 lots of 12,000ft ² each, based on similar lot sizes in the adjoining subdivision. There are two parcels currently undeveloped, numbered 7-00022-01 and 7-00022-02 respectively. Both properties are part of the R1 Single Family Residence District. These properties are currently owned by Van's Realty and Construction.			
Project Purpose / Justification-Why Needed/What are the Benefits?:			
In the long-run, this project would expand the tax base for the City of Menasha. In addition, this could provide approximately sixteen new homes for Menasha residents. If developed, this project would boost Tax Increment dollars for TID 9. It would also complete the Grassy Meadow Lane development.

PASER Rating (If Road Project): _____		Assessable: _____	
Project Description / Location / Details: _____			
Retrofit old 911 center ventilation system to provide cooling for existing server room and adjacent room that may be utilized as an additional server room in the future			
Project Purpose / Justification-Why Needed/What are the Benefits?:			
Unable to keep the existing room at the desired temperature even with the use of a portable air conditioning unit that was originally intended to be used as a back up. The room when built was not intended to be ventilated. In order to do so duct passing thru the room was cut open to provide cool air however not currently sufficient enough in addition to the portable AC unit.

Is Project part of & funded by TIF: <u>Yes</u>		If so, which TIF: <u>9</u>	
PASER Rating (if Road Project): _____		Assessable: <u>Yes</u>	
Project Description / Location / Details: _____			
This potential development entails one property abutting the north right of way of USH10 / STH114. Project expenses would include infrastructure for the development of approximately 12 housing units with lots entailing 9,000ft ² . This projection is based on preliminary design plans submitted by the developer. The parcel is numbered 7-01811-02 and is part of the R1 Single Family Residence District. Ownership of the property resides with Woodland Developments, LLC.			
Project Purpose / Justification-Why Needed/What are the Benefits?:			
Long term, this project would expand the tax base for the City of Menasha. The proposed development could provide about 12 new condos for Menasha residents. If developed, this project would be directly adjacent to the proposed Friendship Trail, providing great access for condo residents.
