

Come have a ghoulishly good time! Areas near the park shelter will be sectioned off for three age groups and will be converted into a "pumpkin patch". Children search for shiny pumpkin coins and trade them in for candy and other special prizes in the park shelter. Children should bring a flashlight and are encouraged to dress in costume. There is no rain date for this event, it will be held in inclement weather. **Pre-registration is not required for this free event.**
