Rain outs: August 21, 28 are potential make-up nights

Balls: We use a .40 core, 325 or 375 compression ball. Only a Worth gray dot or Trump ball may be used.

Umpires: We are experiencing an umpire shortage this season. If you know of anyone interested in umpiring, please have them call the MPRD office. We will do our best to provide an umpire each week. However, in the event that an umpire is not present two options exist.

1. Teams can choose to "call their own game" and record the final score with the scorekeeper
2. The team that just played can provide an umpire for the next game. (First game of the night would be a "call your own" game.)

We apologize in advance should this situation occur. We appreciate your understanding as we try and work through this less than ideal situation.

Beer permit needed to drink. Drinking allowed until 10:00pm. Have your permit with you at the game. A revised set of 2016 league rules is available on our website.
