P. ACTION ITEMS
1. Property Acquisition - 100 Fox Street, Menasha (Loop the Little Lake Trail project)

PRD Tungate and AP Englebert explained the bridge on Menasha’s side of Loop the Lake Trail project will need to be rerouted to either the east or west side of the Mathewson Street right-of-way. Property will need to be acquired to accomplish the rerouting. The vacant lot on the east side (100 Fox Street) is for sale and staff has had discussions with the owners. Part of the lot could be used for additional parking in the area. Staff believes the location of the bridge on the east side is less invasive to the neighborhood and provides a safer, more esthetically pleasing area for the bridge landing. Funding for the lot purchase could come from Parkland Dedication Fund.

General discussion ensued on the trail project relating to if the City has received a response from the Railroad regarding the north bridge landing, assessed value/purchase price of the lot.
